Miyuki-chan finally tested successfully into Masato's high school as she had hoped, and the relationship between Masato and his girlfriend was also getting better day by day.

However, with the introduction of a handsome rival and the reappearance of the muddily entangled Nakata-sensei, and then throwing another new variable amongst the three, it looks like Masato's head will start to hurt again.....

Spring Vacation

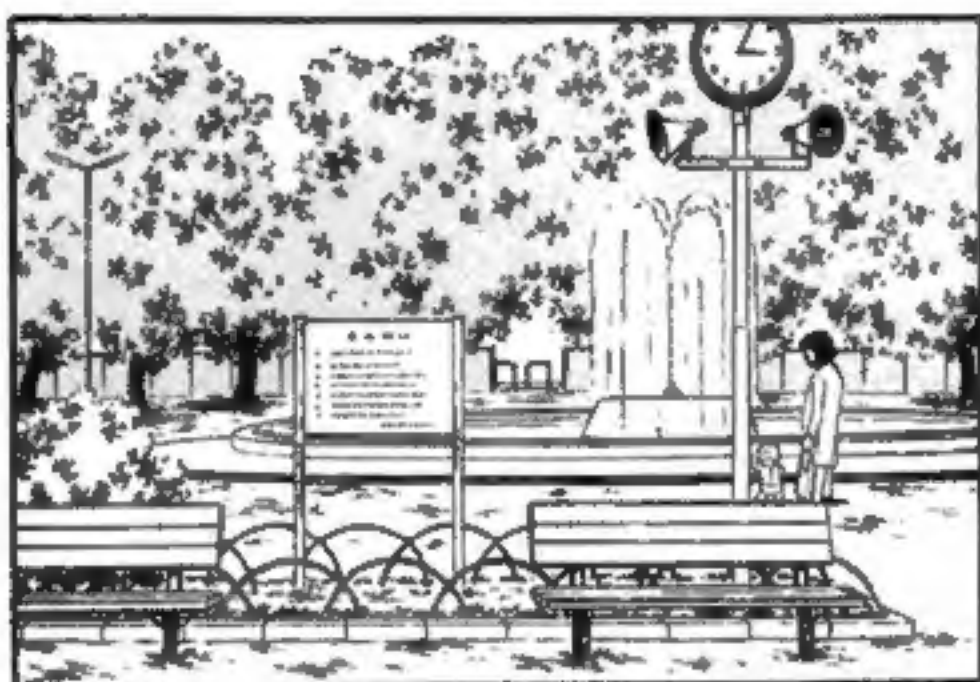

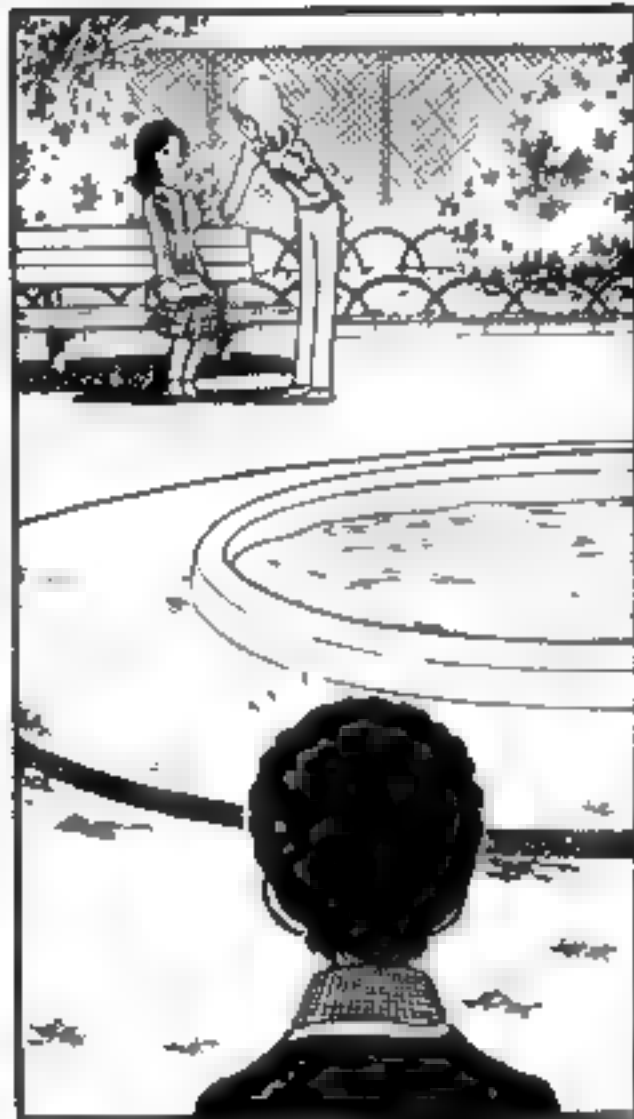

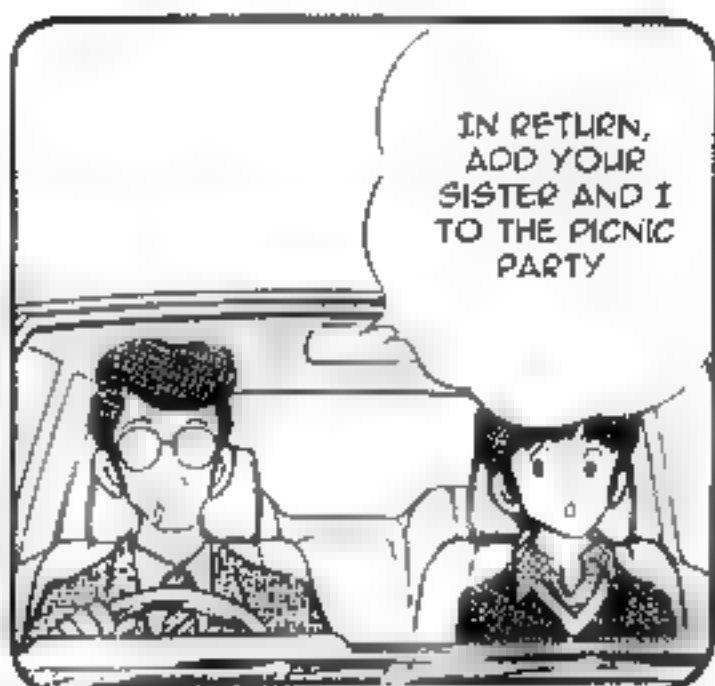

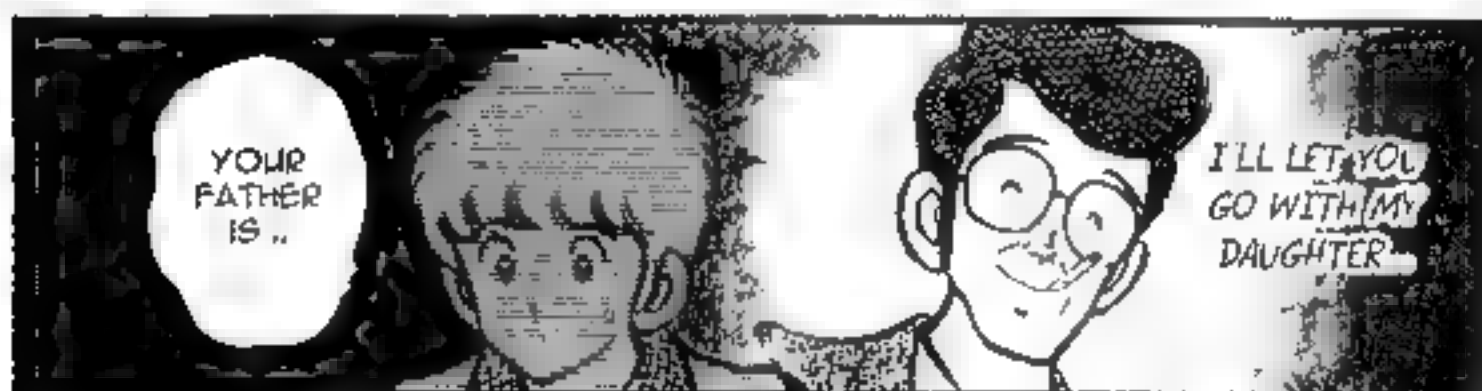

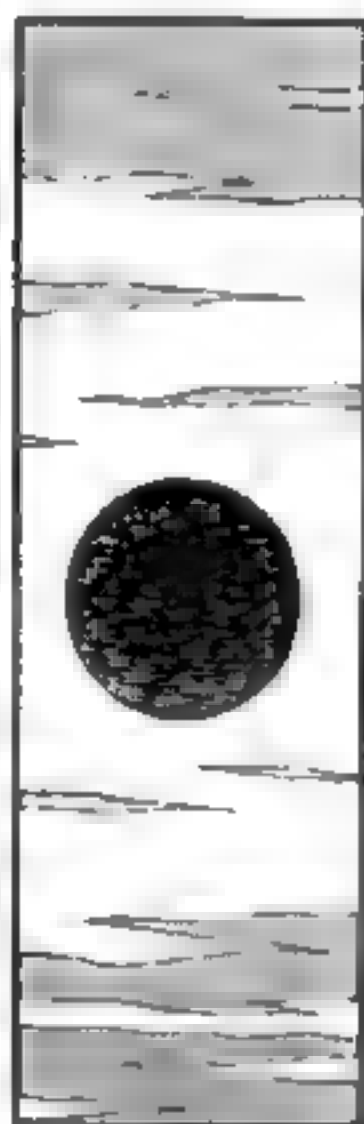

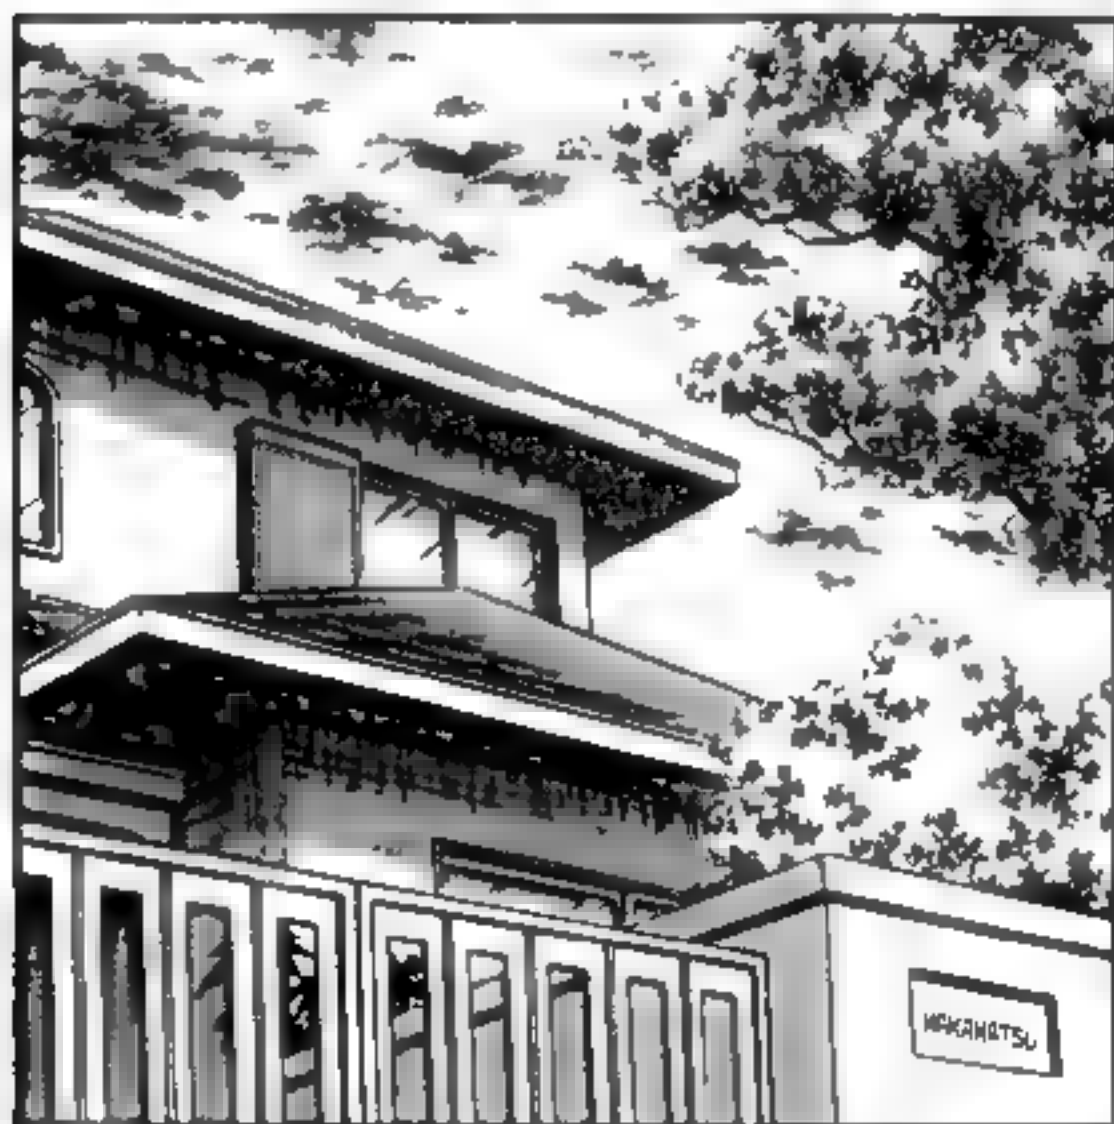

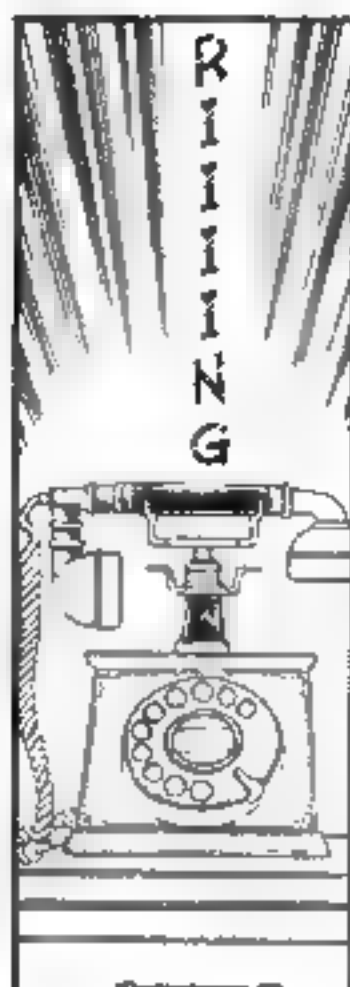

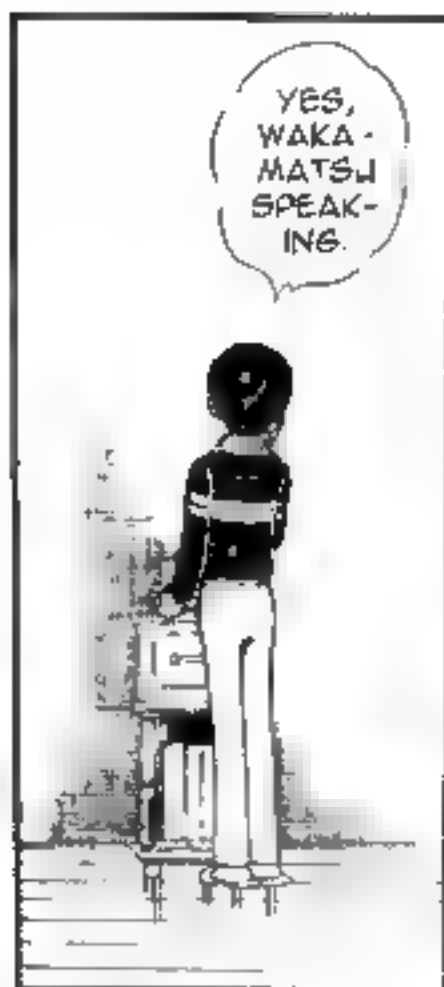

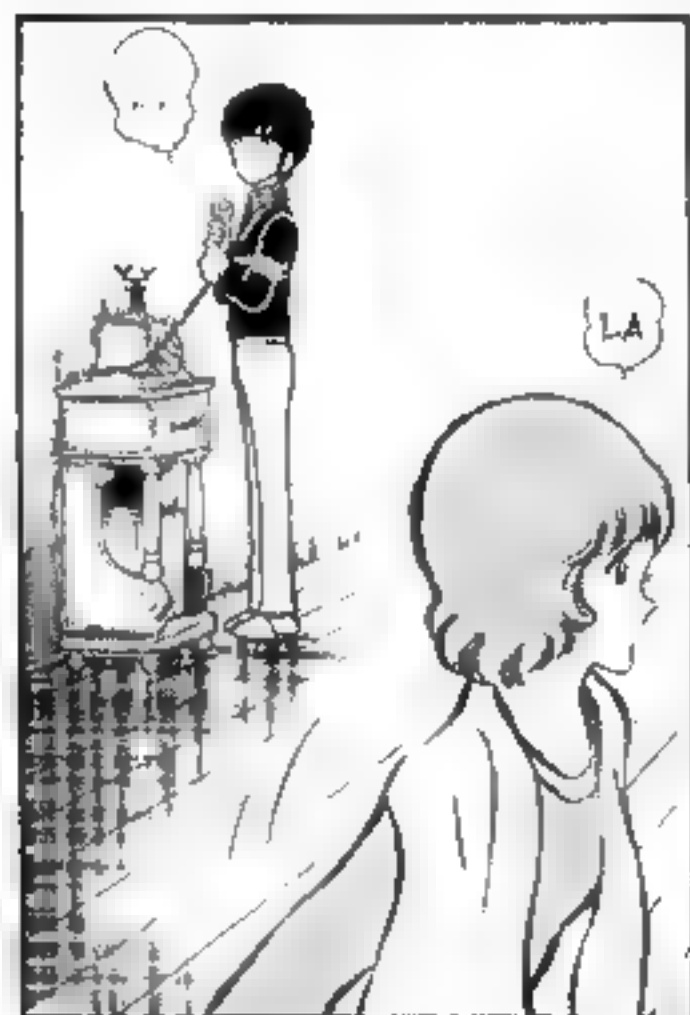

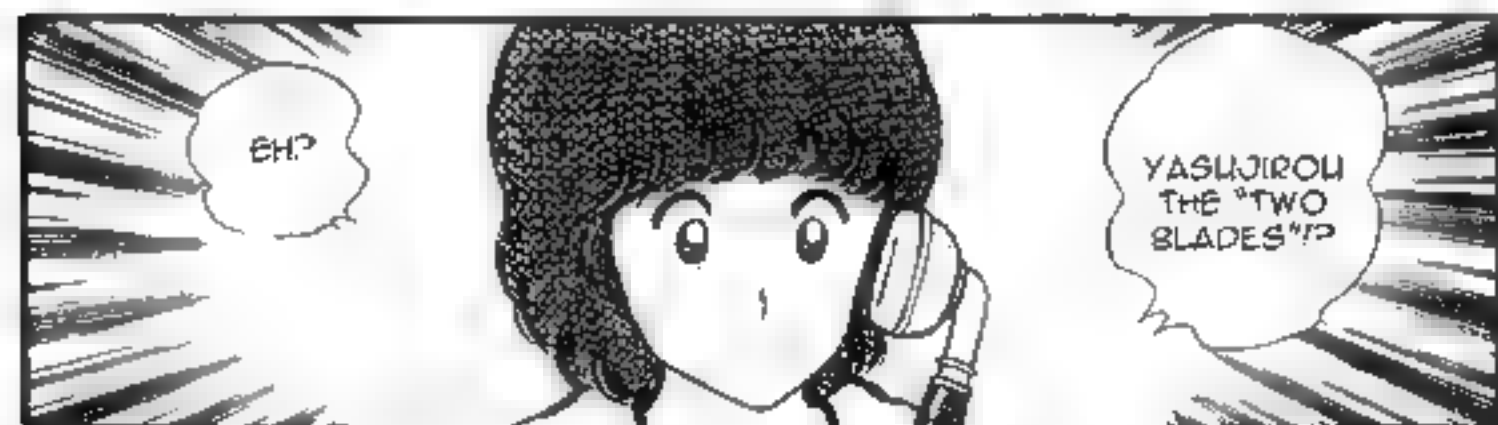

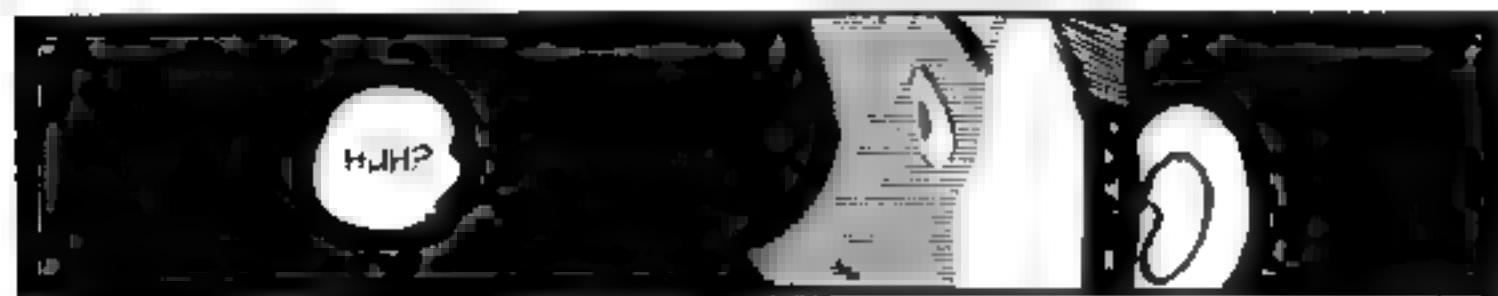

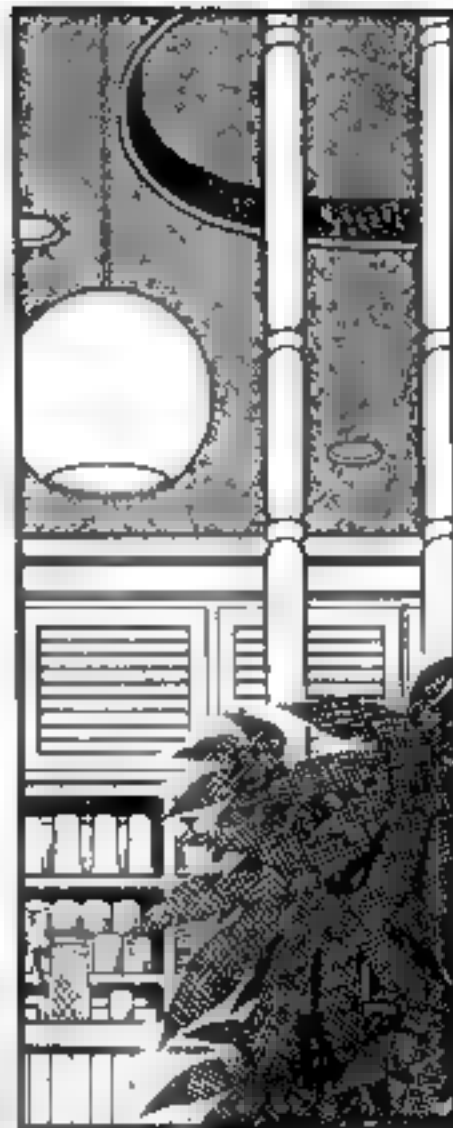

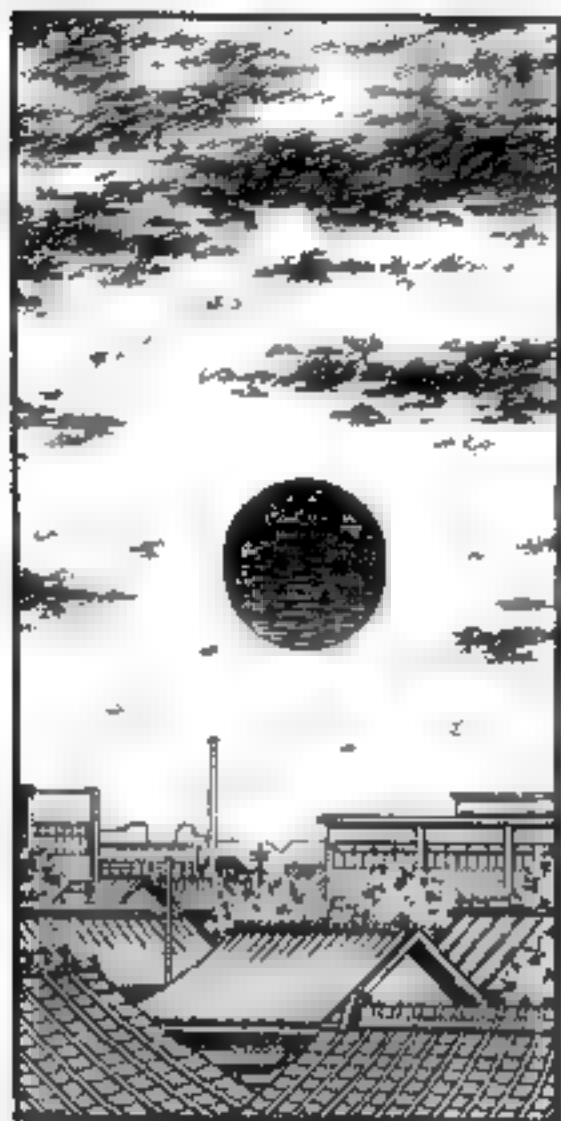

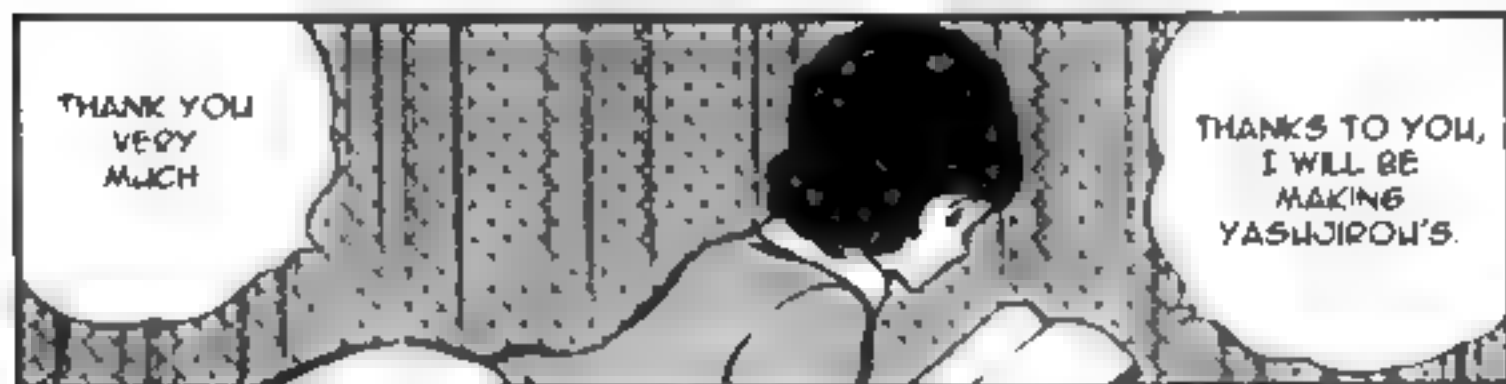

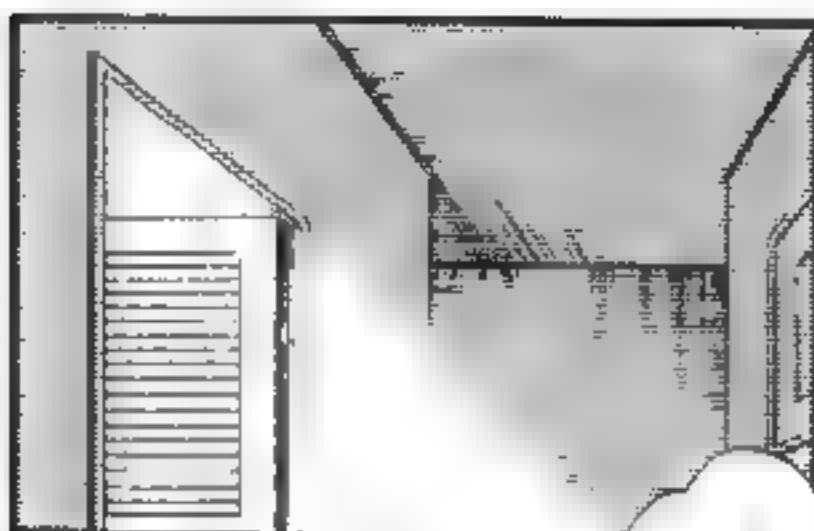

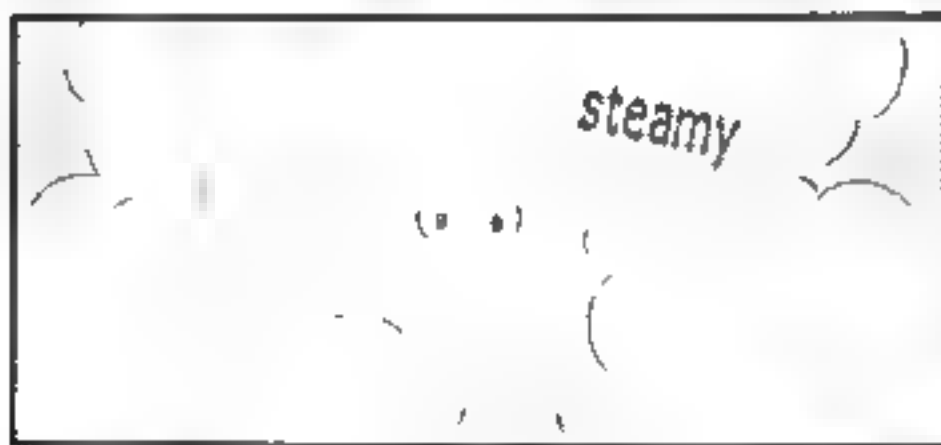

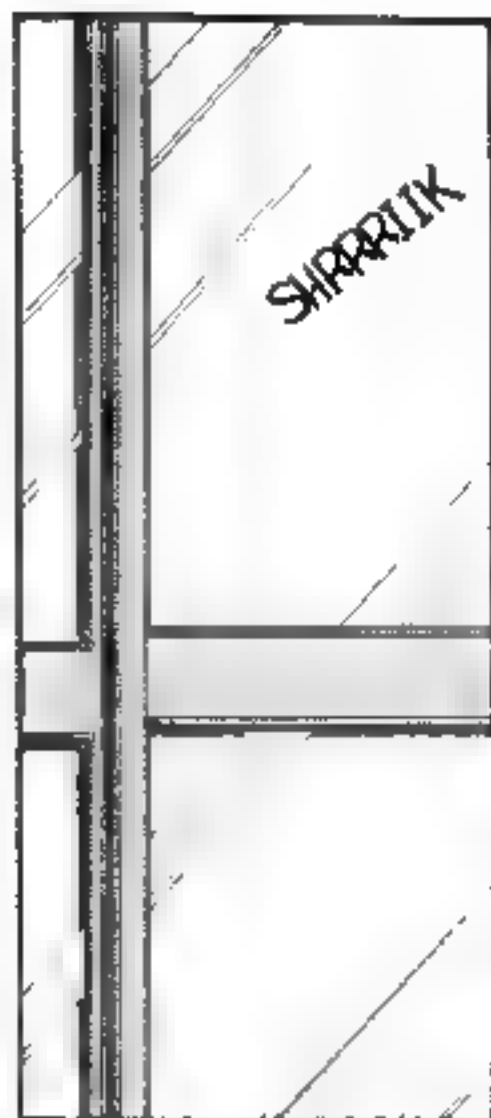

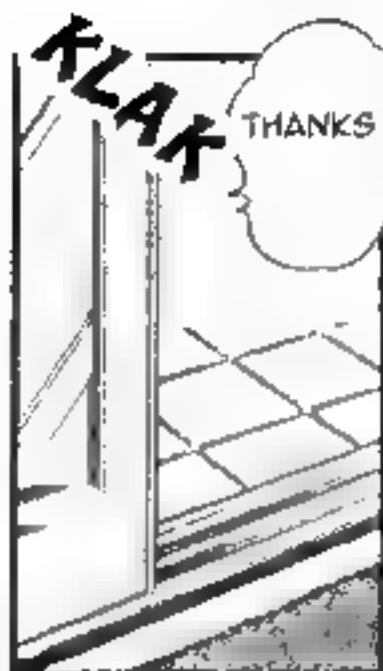

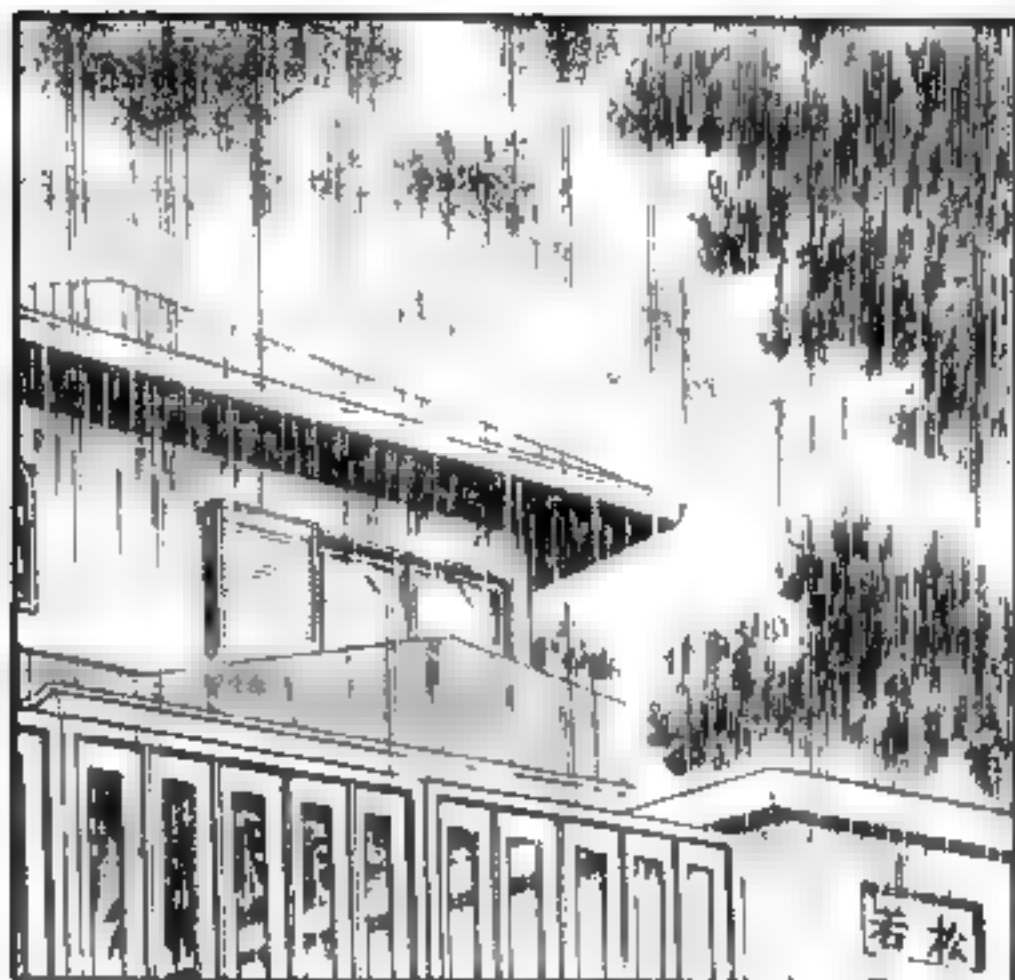

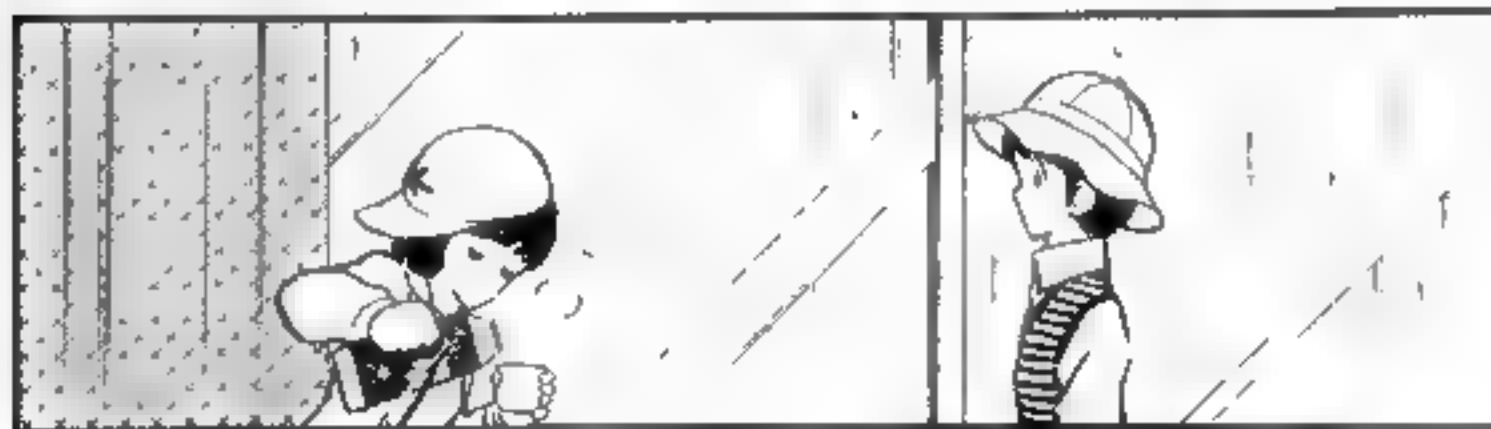

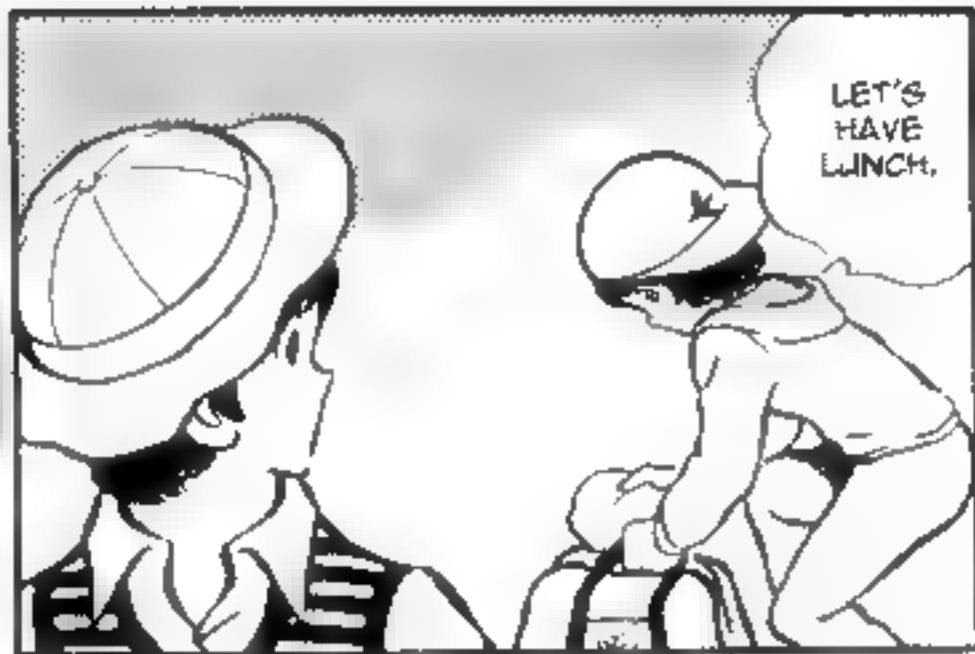

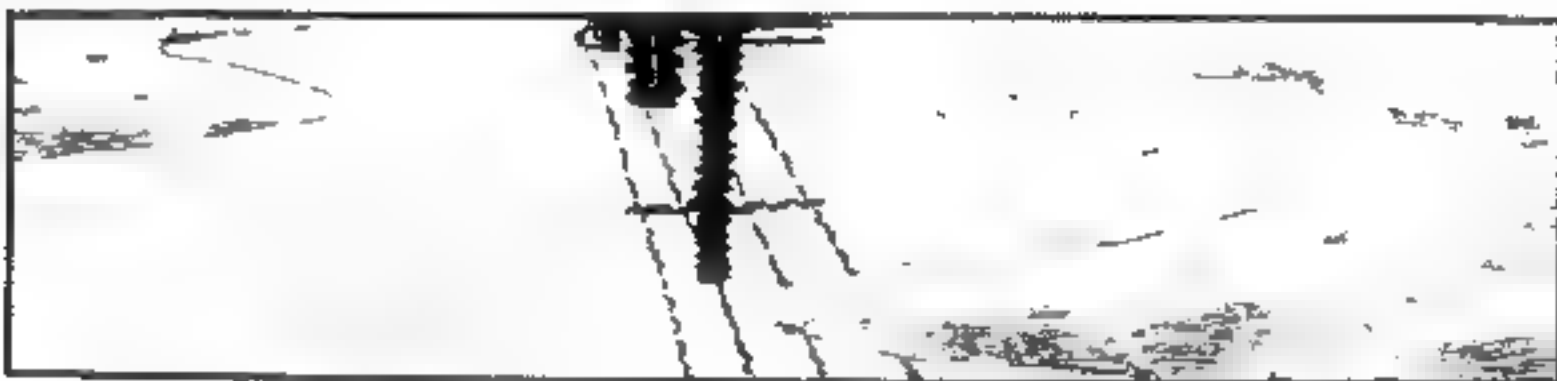

Is a story
dependent
on the
weather...?

~~~~~

The  
plaza in  
front of  
the  
station.

THEY'RE  
LATE,  
HWH.

Little sister,  
Wakamatsu  
Miyuki, 15  
years old.

HURRY UP!  
THE BUS  
IS HERE!!

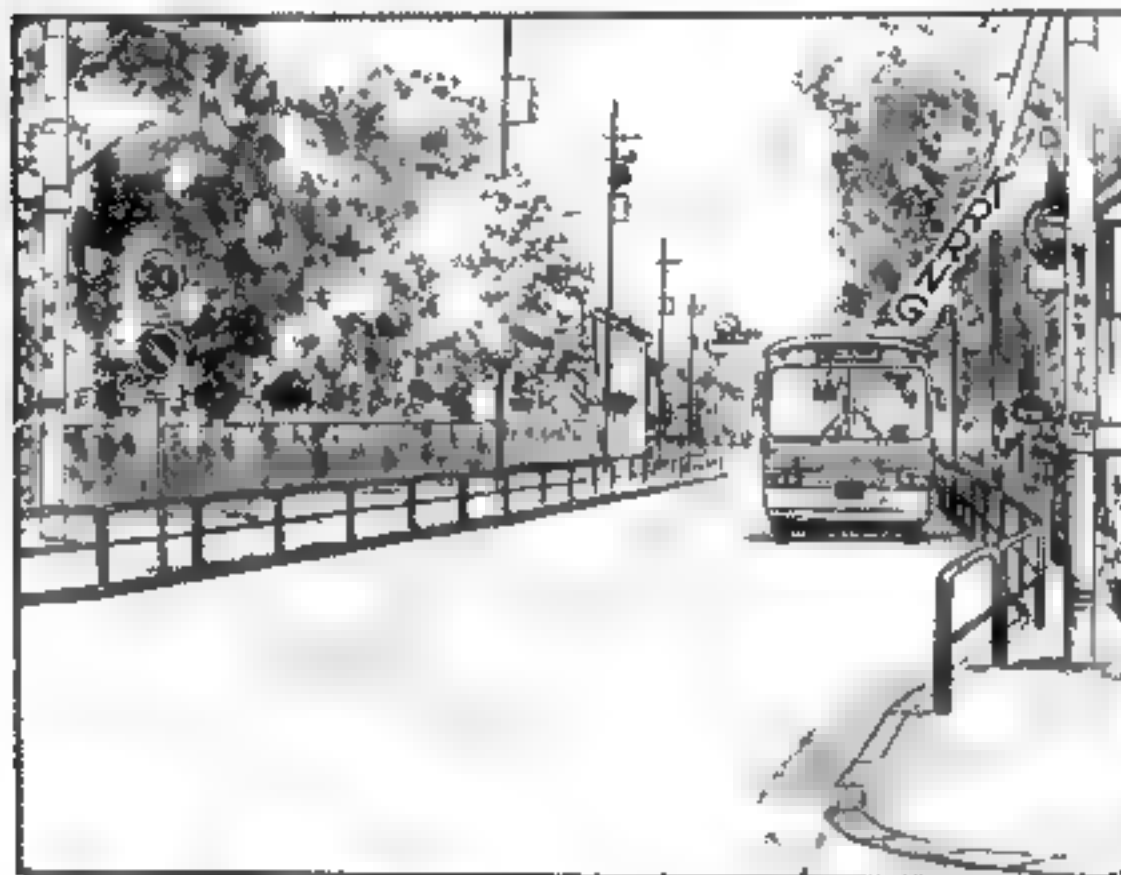

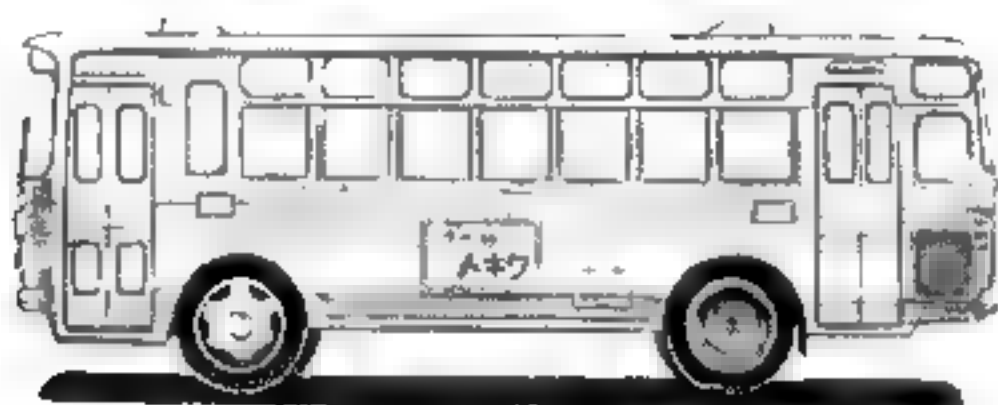

Older  
brother,  
Waka-  
matsu  
Masato, 16  
years old.

LEAVE  
ME  
ALONE.

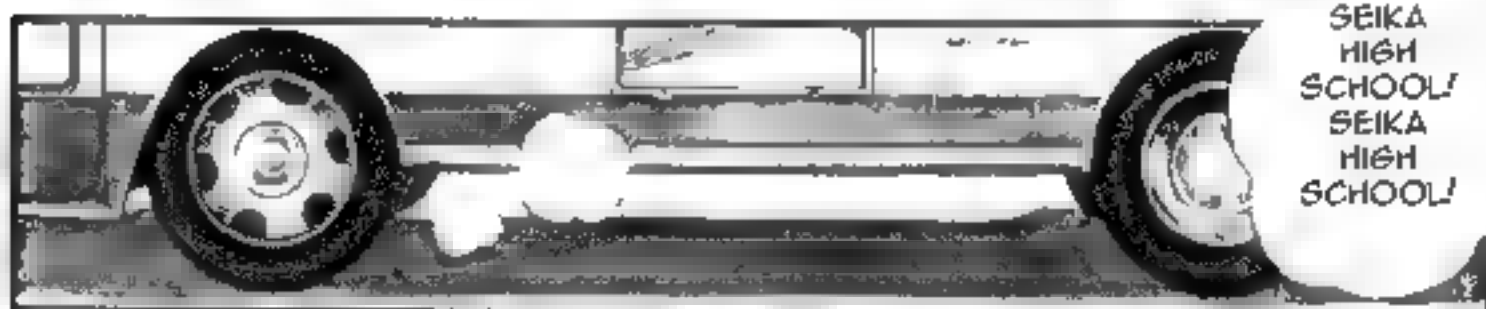

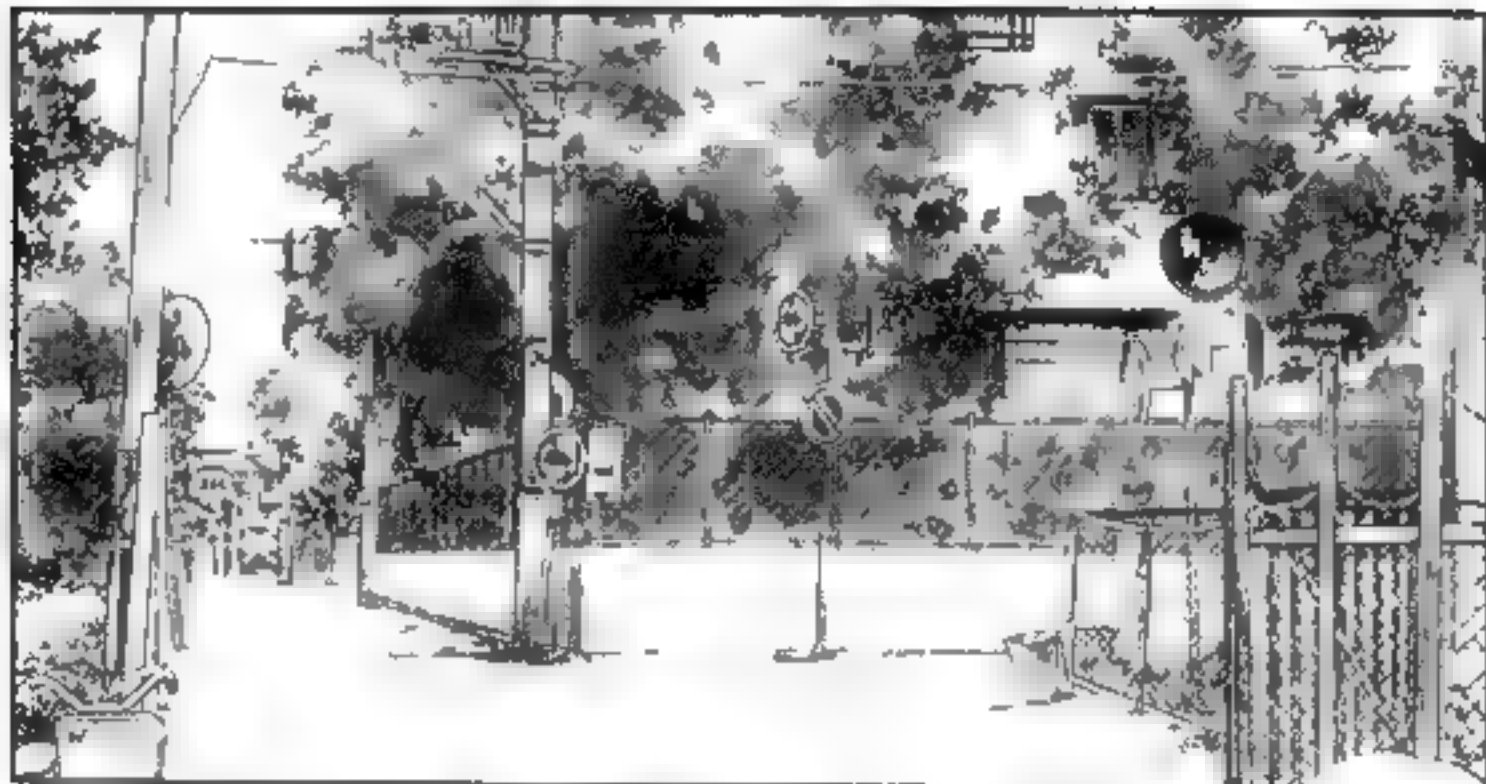

Author,  
Adachi  
Mitsuru.

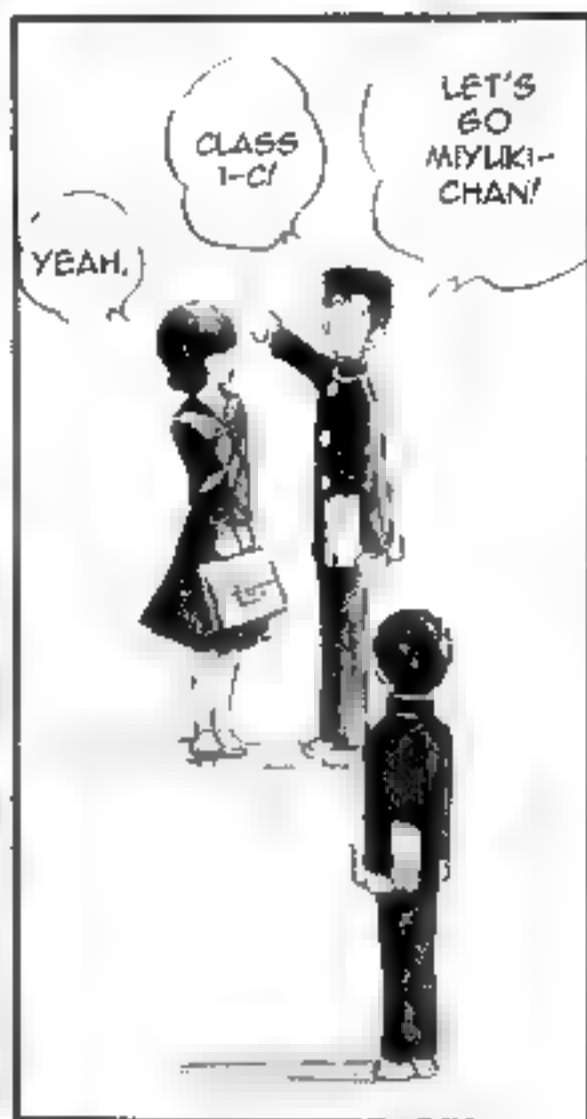

FOOSH

Separated from Miyuki meeting with Miyuki.

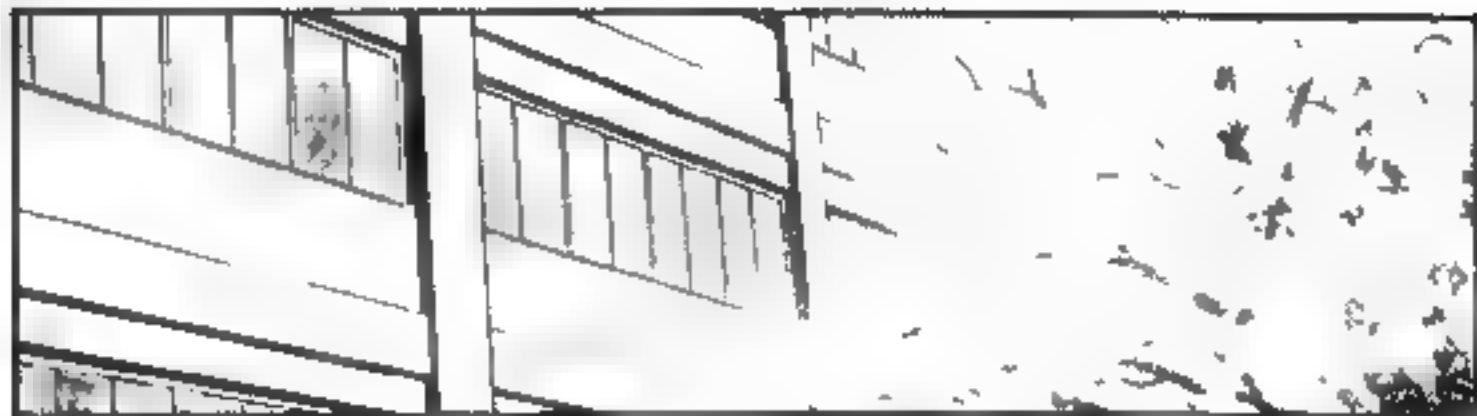

It's a miracle performed by God!

It's just a manga...

Again in  
the same  
class for  
a year...

Kashima  
Miyuki,  
16 years  
old.

During this  
time, how  
much will  
our friend-  
ship grow...?

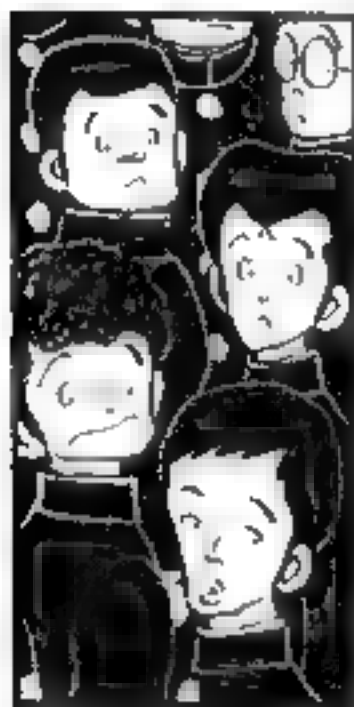

(HEH)

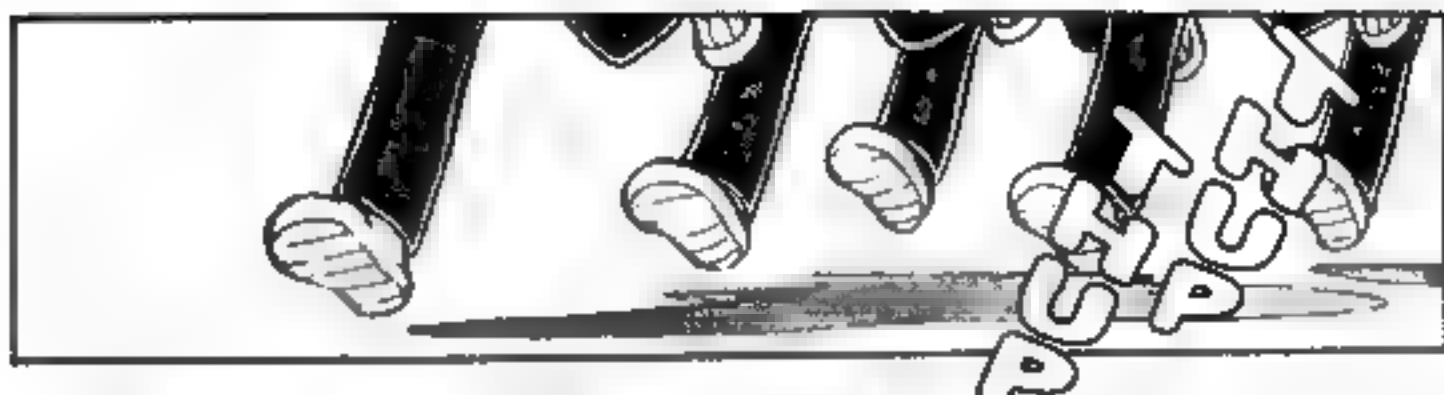

WAKA-  
MATSU!

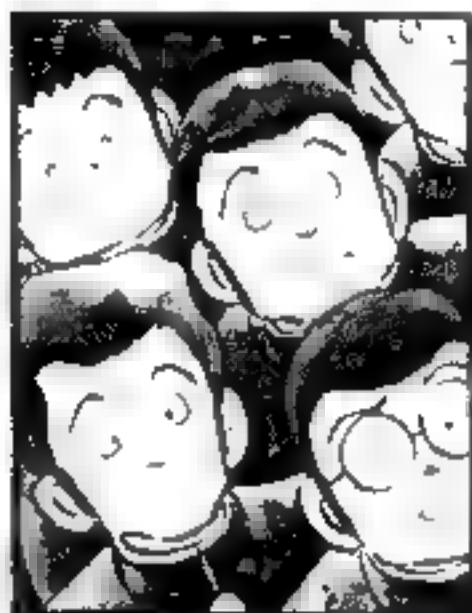

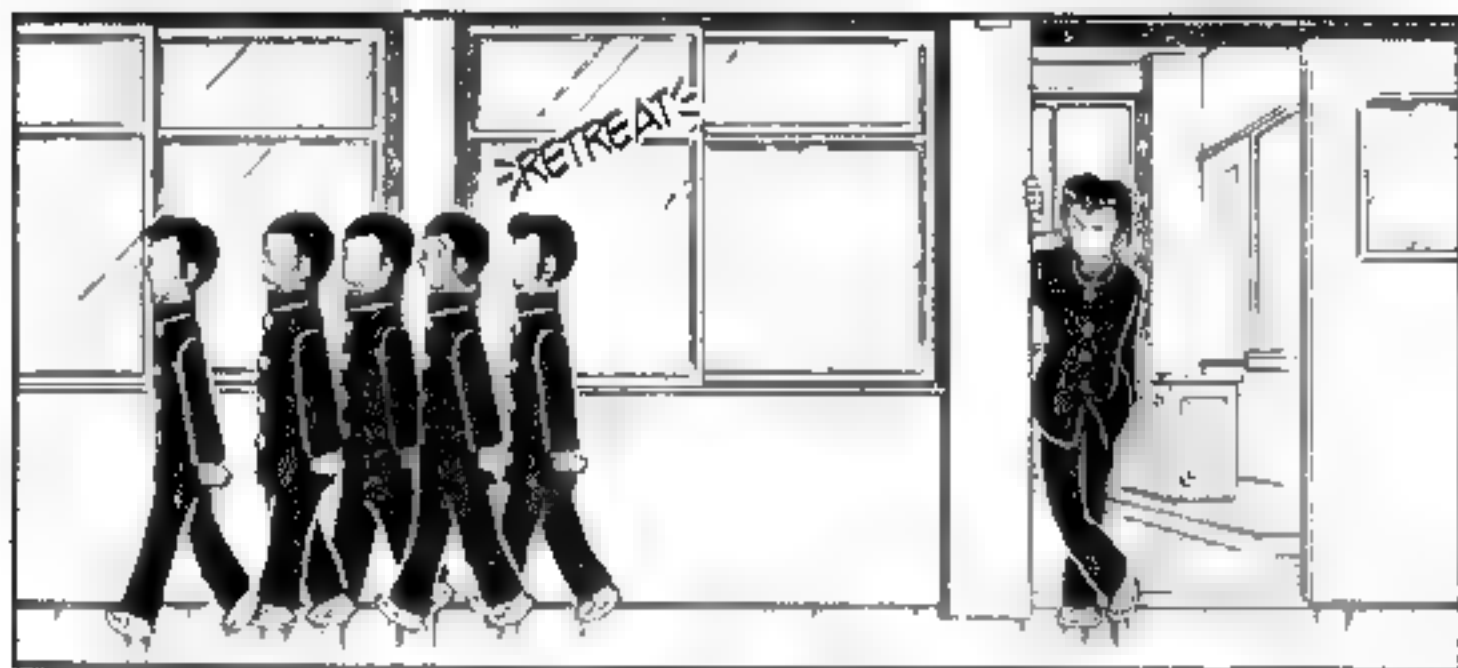

(HEH)

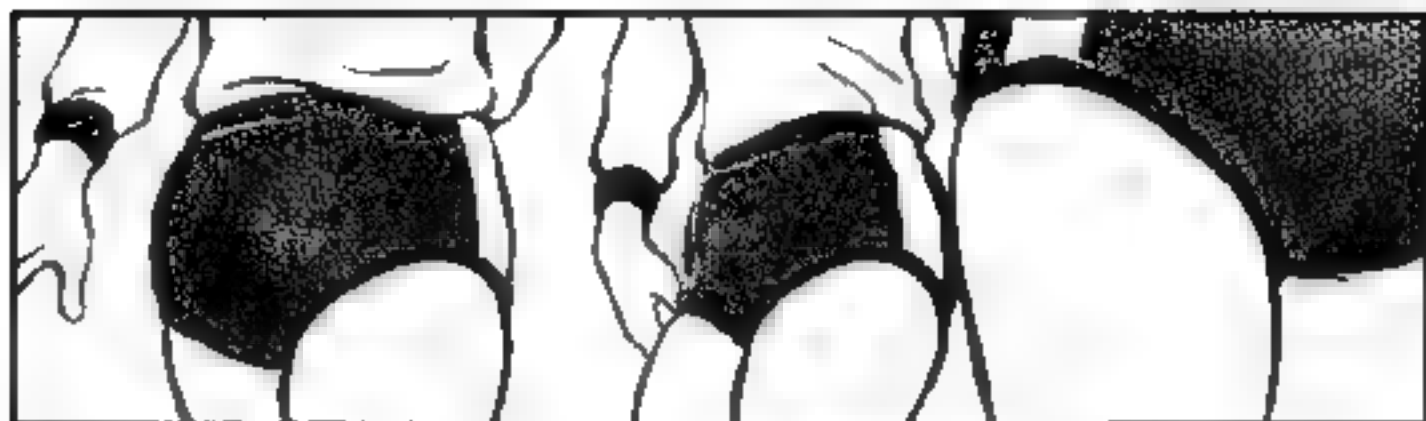

It will  
be fun,  
fun!!

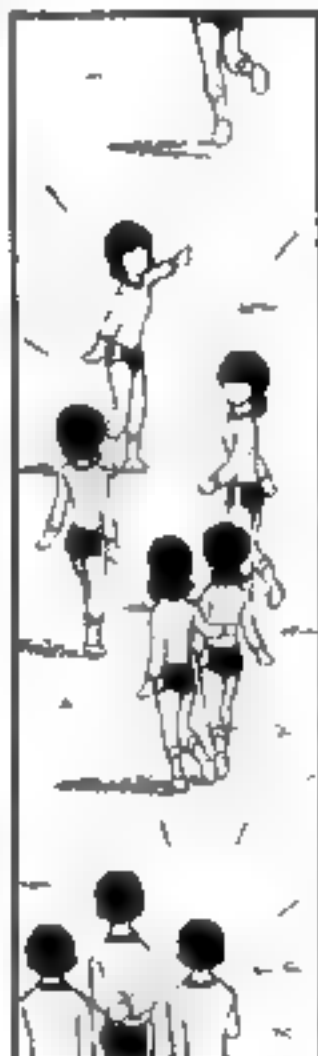

My popular sister...

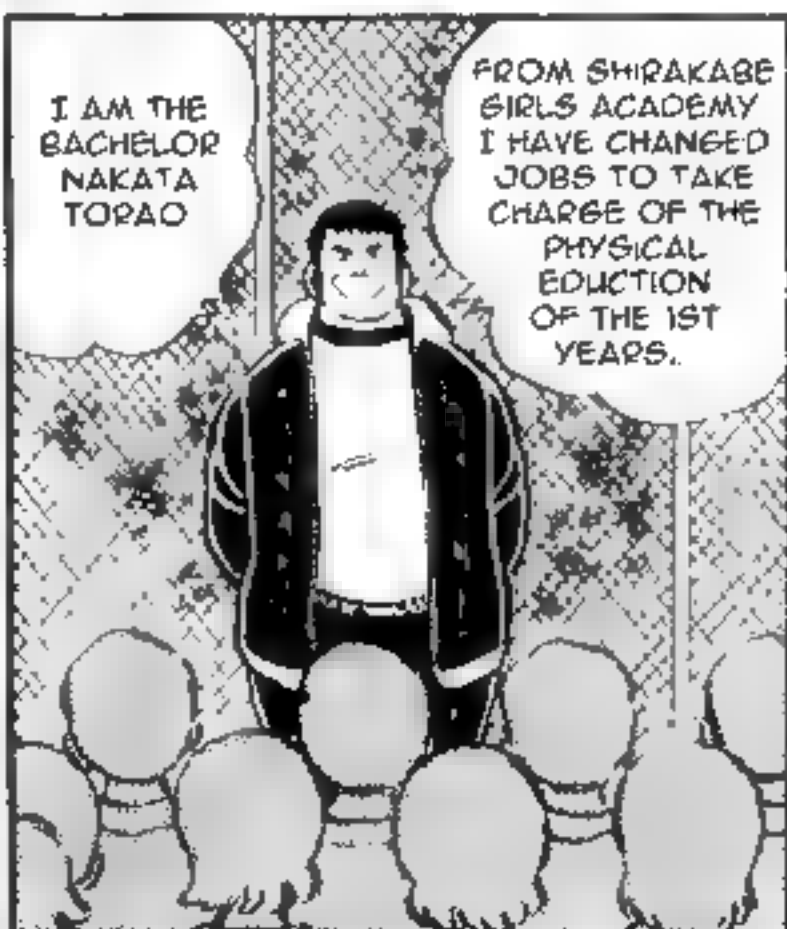

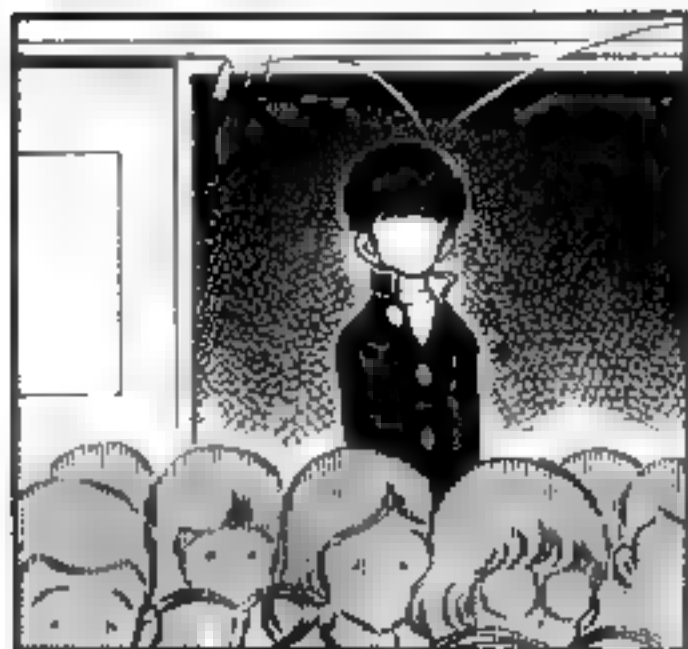

As a brother, honestly...

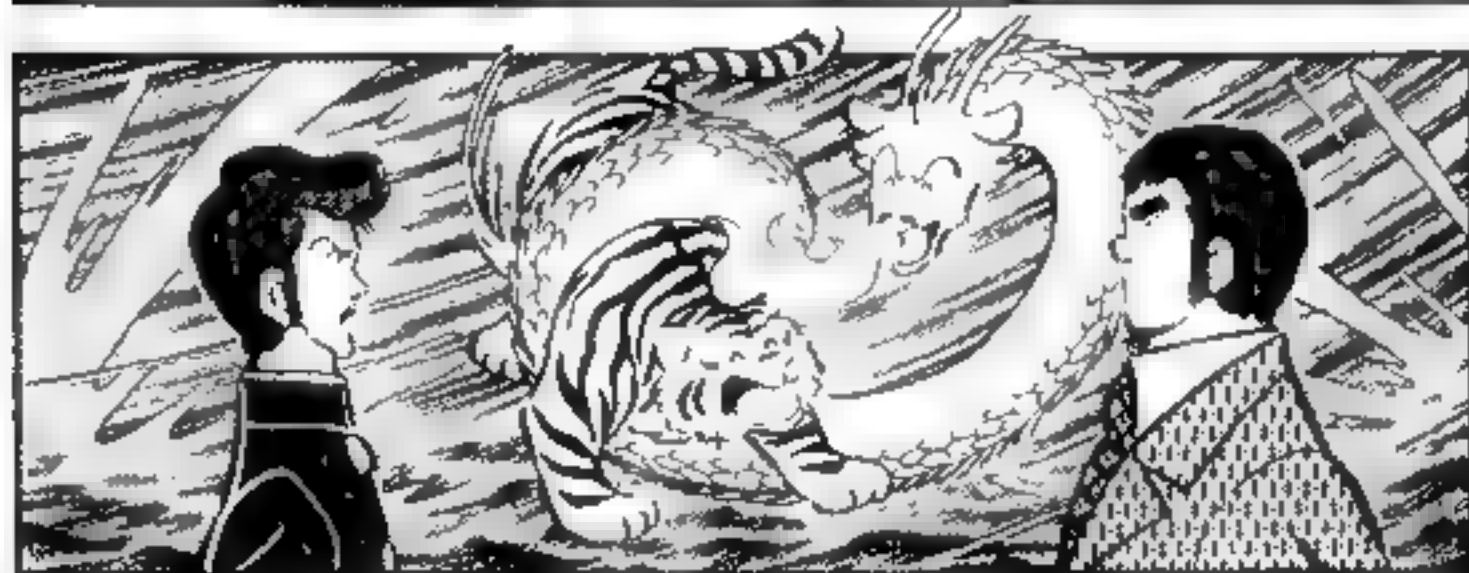

I should be proud, but...

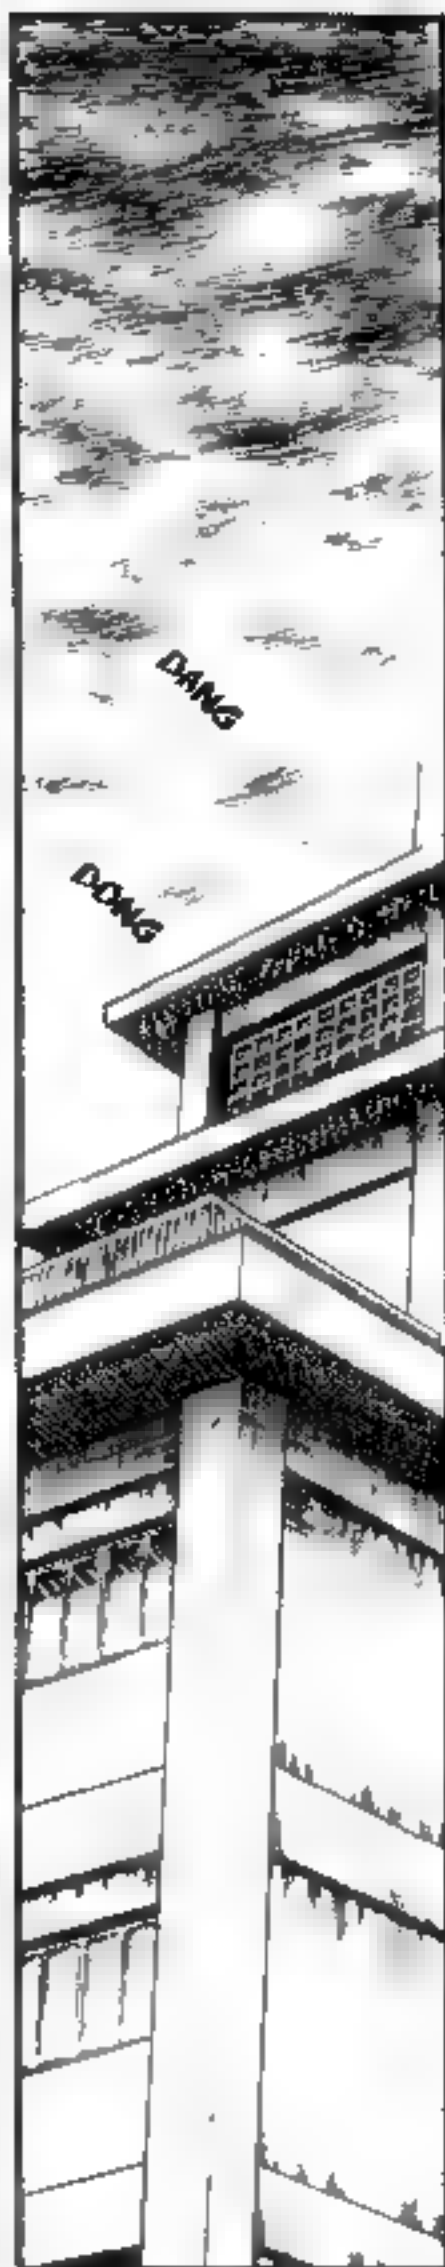

That was like a TV ad...

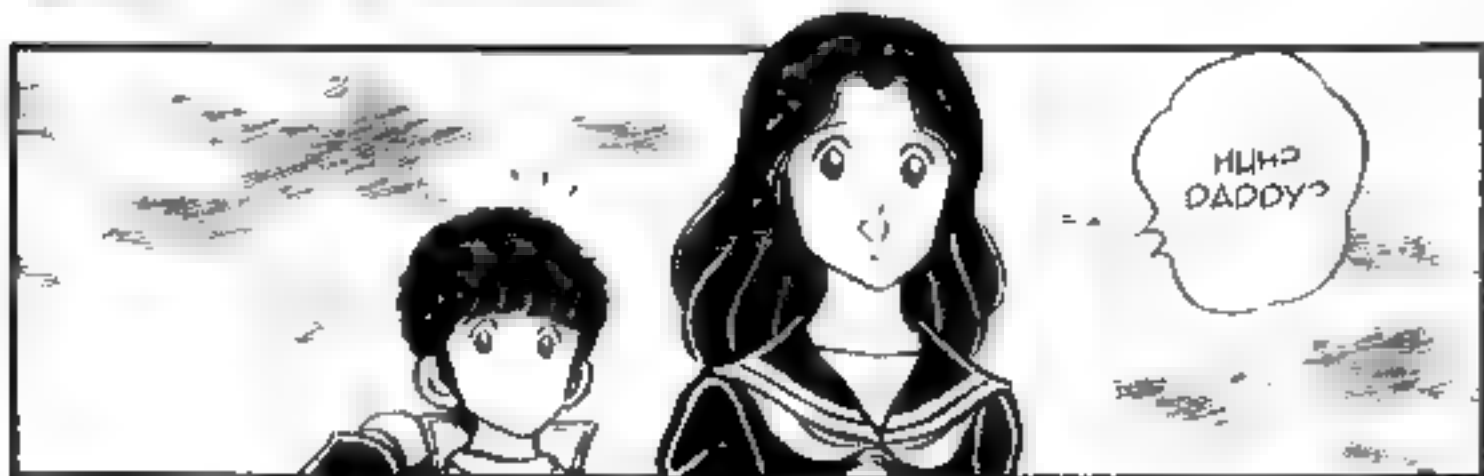

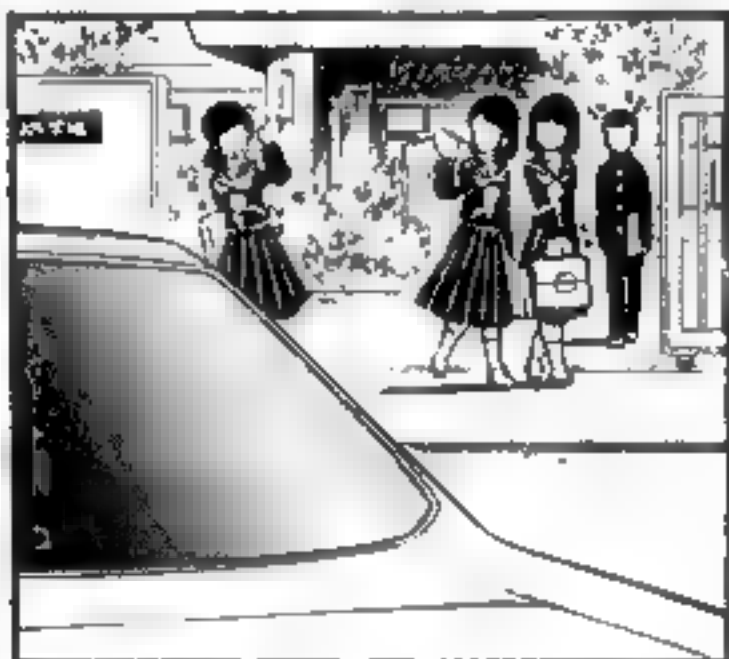

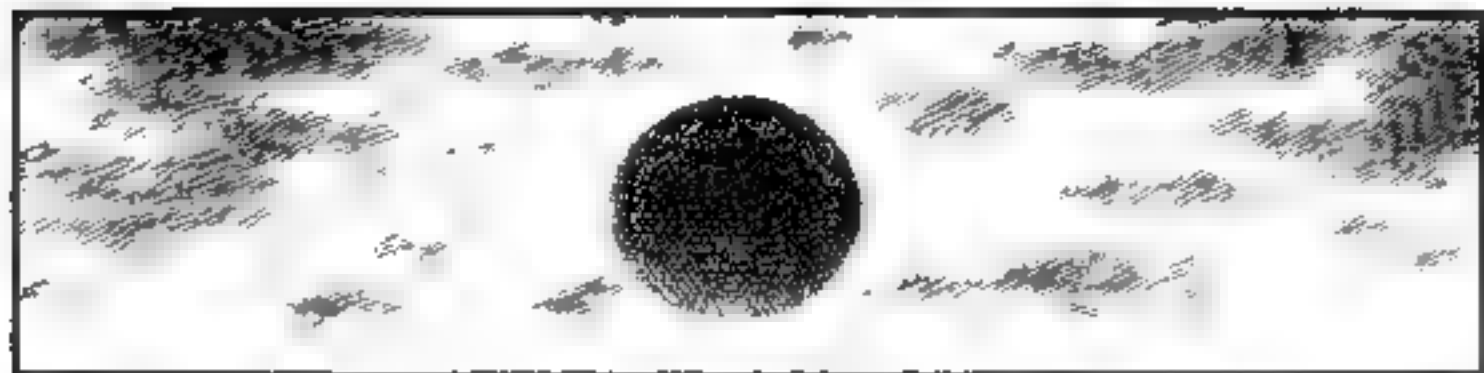

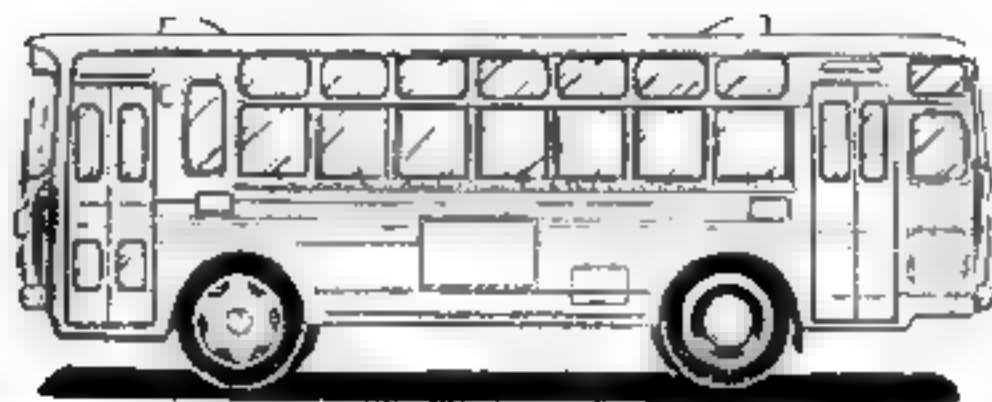

O.K.

WHY DON'T YOU GET IN TOO, WAKAMATSU-KUN?

VOOM

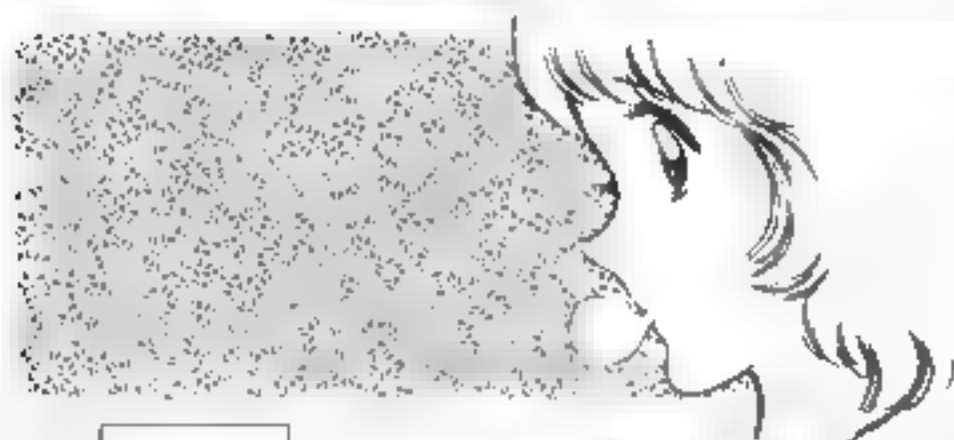

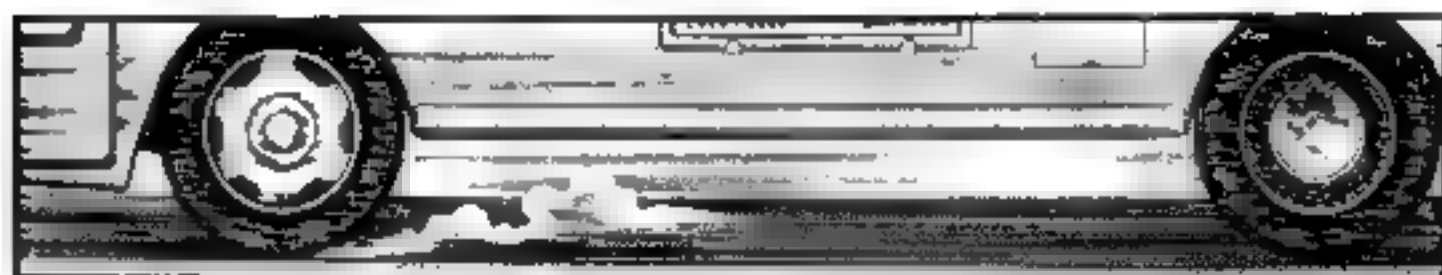

HOW  
MANY  
BUSES?

JUST  
FOR  
THE  
BUS

WERE  
YOU  
WAITING?

There's a lot of  
men around  
Miyuki, no  
matter how  
close they  
are..

Is  
always  
me..

In the end,  
the one  
with  
her...

As long  
as  
Miyuki  
doesn't  
marry...

Always,  
only  
me...

But I,  
as a  
brother...

Not  
as a  
single  
man...

Of  
course...

In  
any  
case...

Only  
me...

Usually... in  
a school  
year, there  
is one  
person...

The  
existence  
of this  
type of  
man...

To other boys,  
he's a boring  
being that  
cannot be only  
called  
unpleasant,  
but...

Campus  
life  
cannot  
be  
without...

From  
the  
girl's  
view...

The idol  
star  
close to  
them!!

Everyone  
says all the  
girls will  
fall for  
that guy...

That's  
why it  
is  
said...

$$2(x + \frac{3}{2})^2 = \frac{x}{2}$$
$$\frac{x(x+3)}{2}$$

That  
won't  
happen!!

I  
hope...

AH,  
KASHIMA-  
SAN.

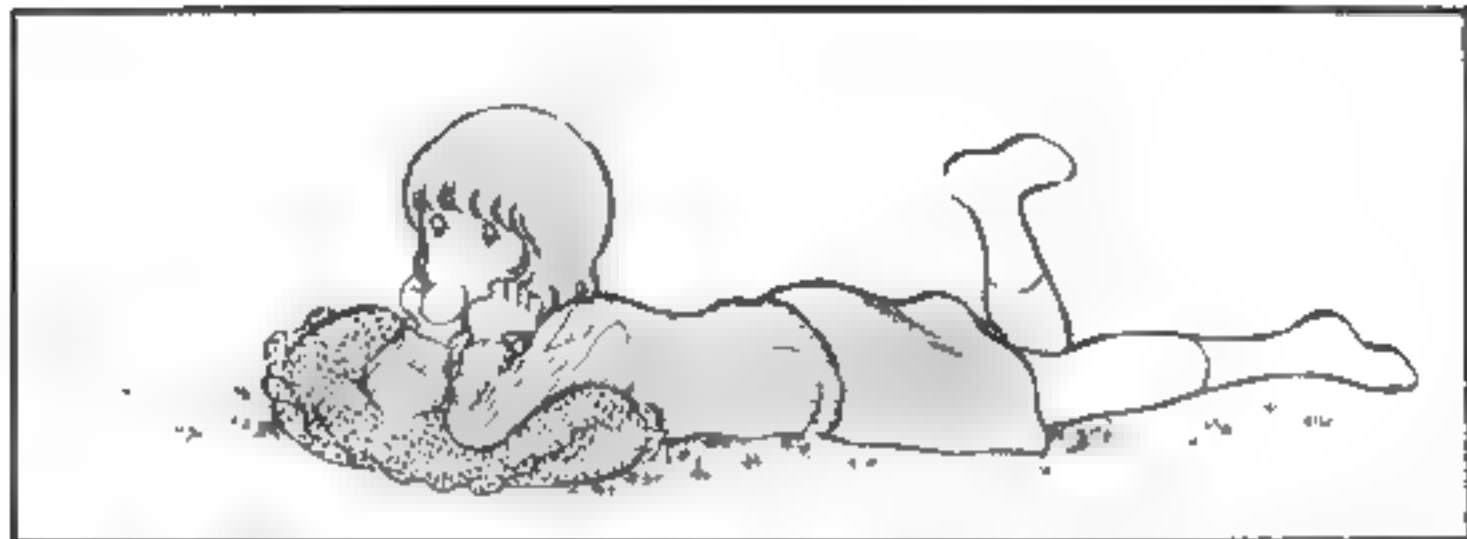

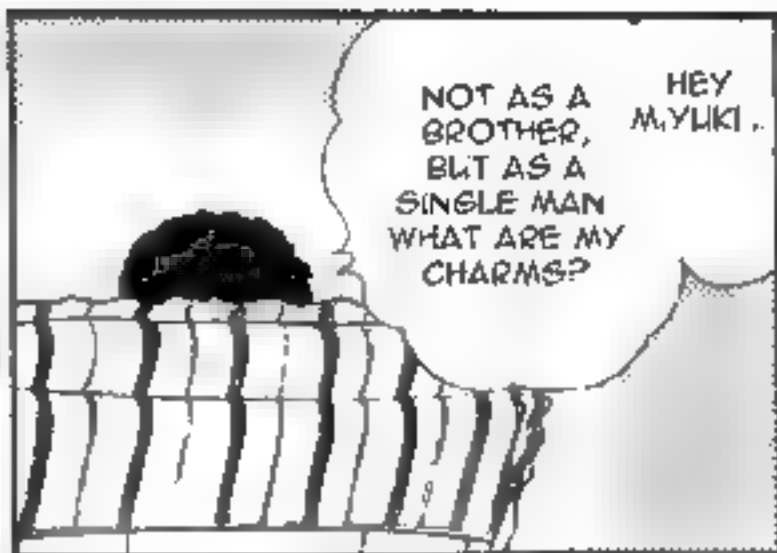

YES?

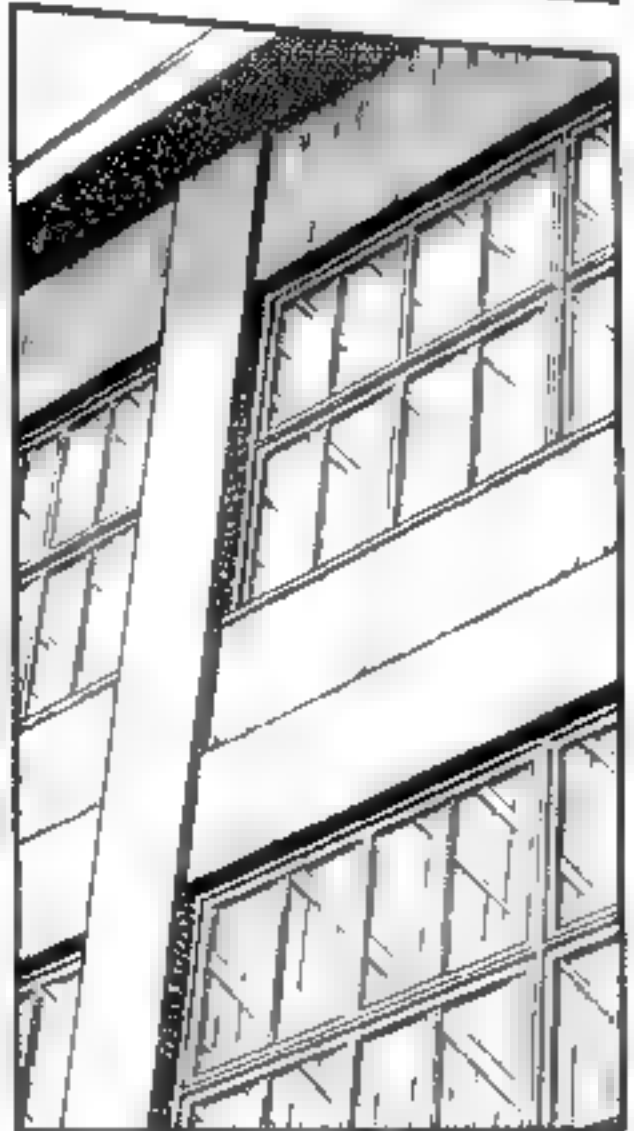

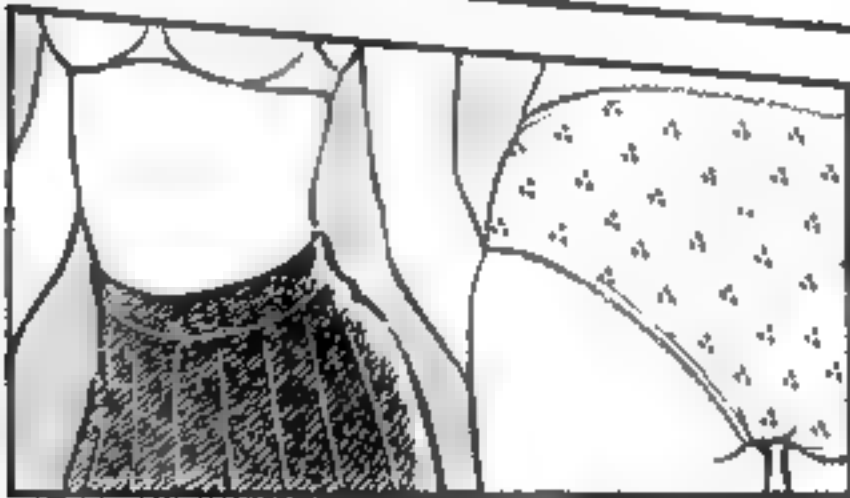

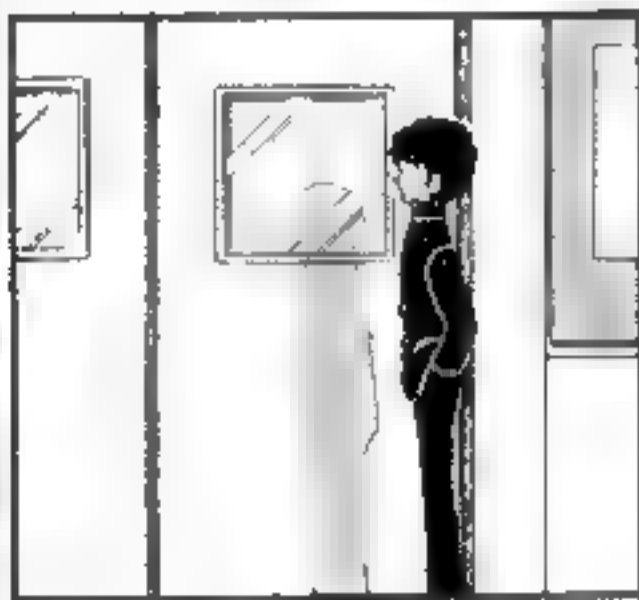

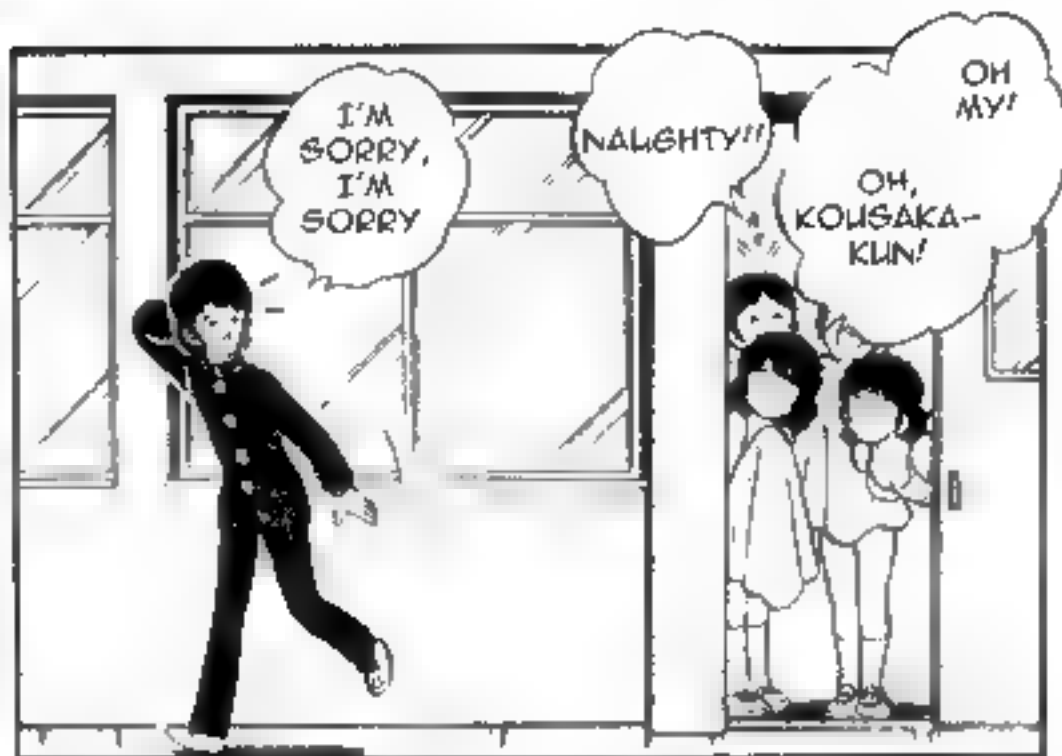

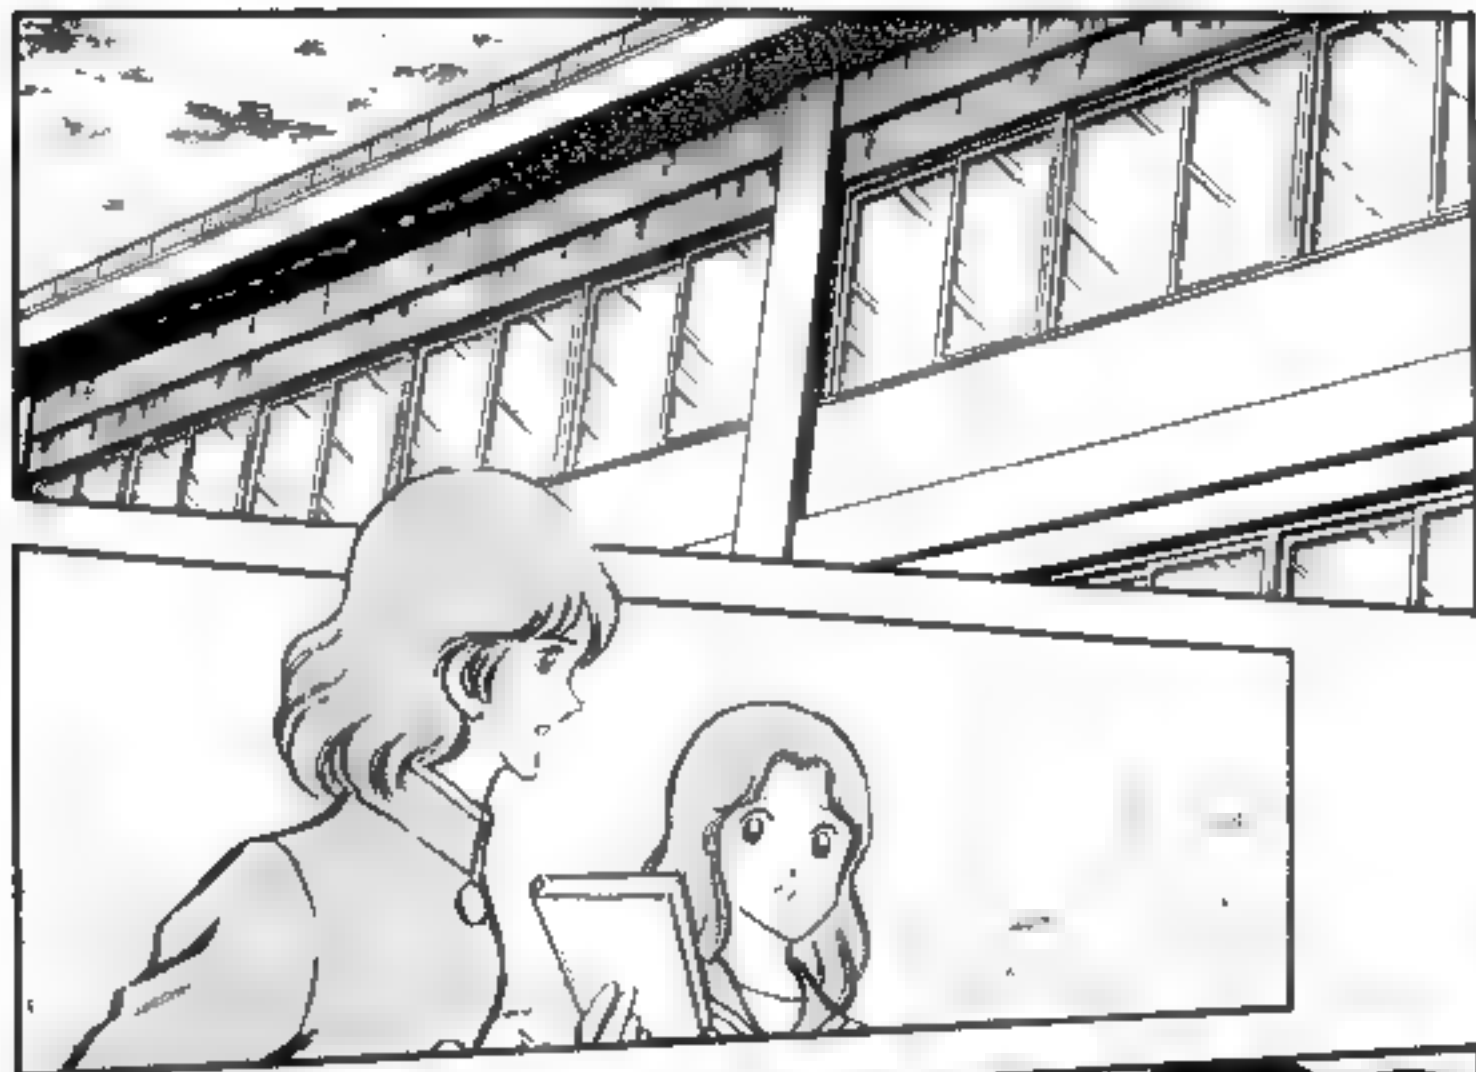

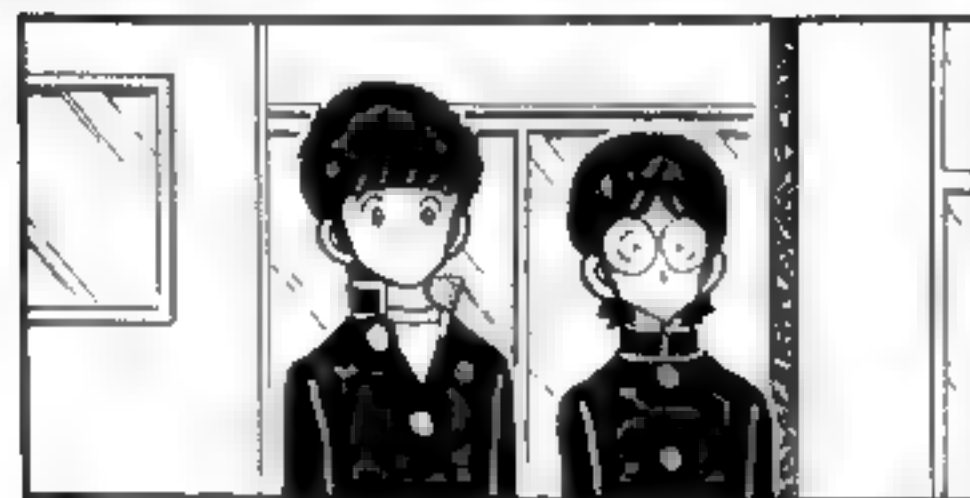

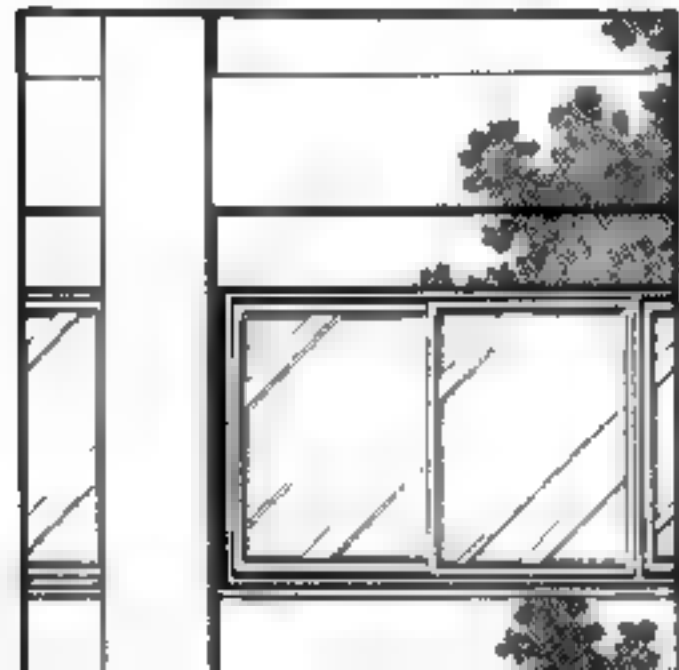

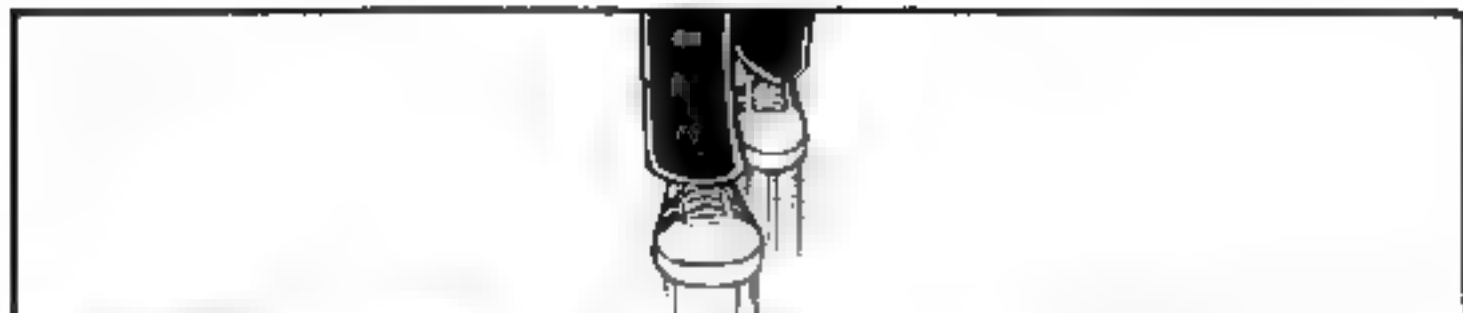

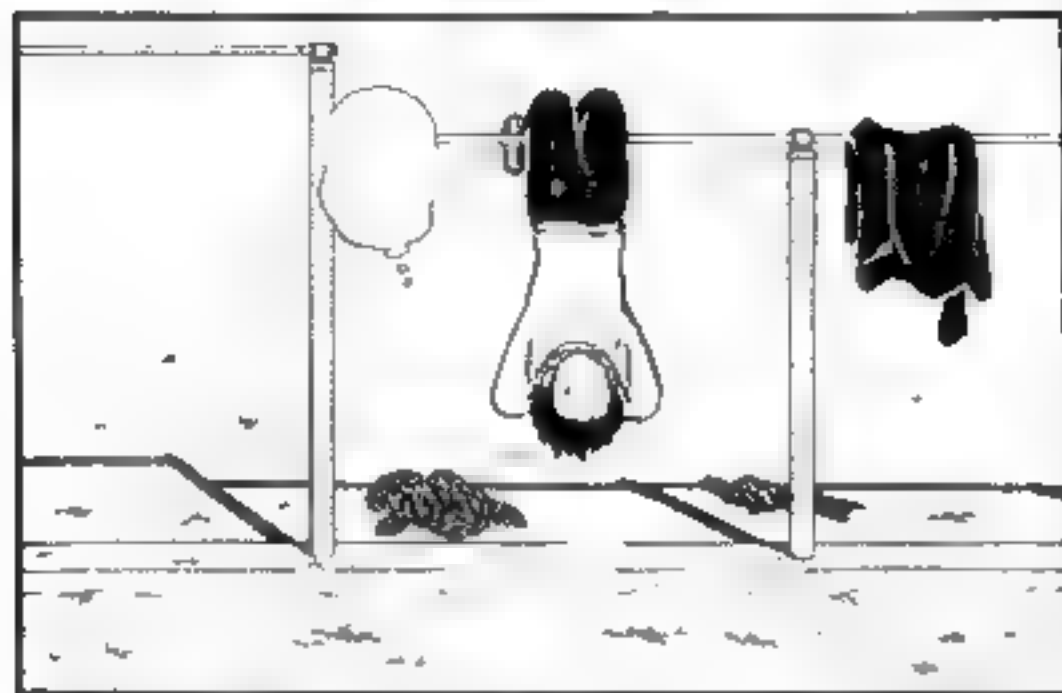

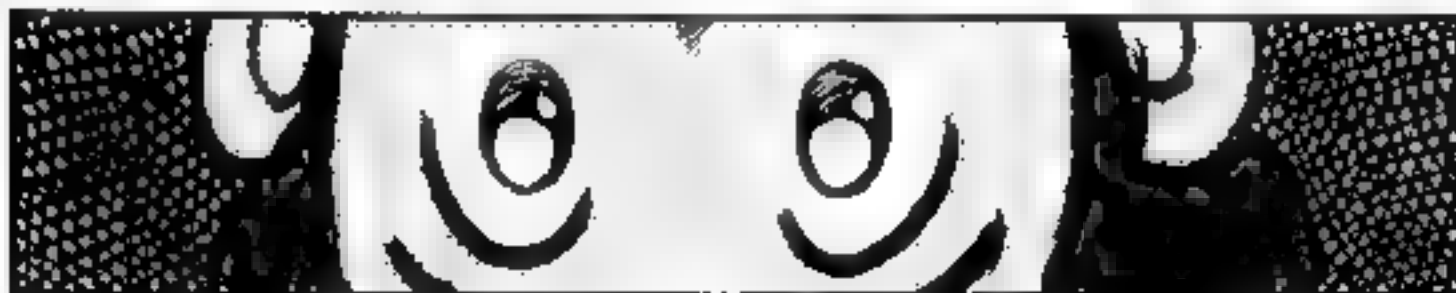

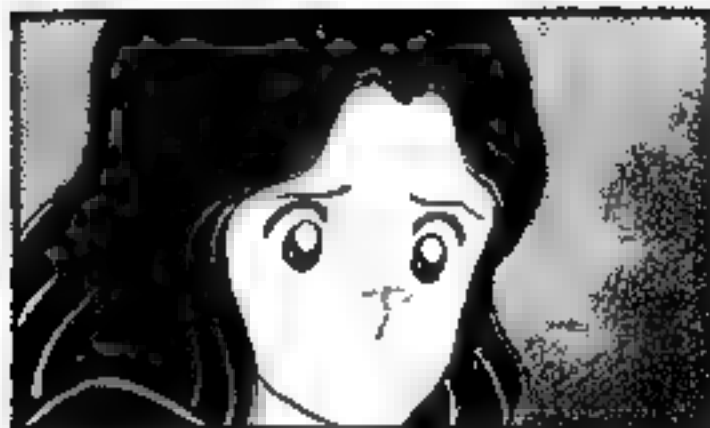

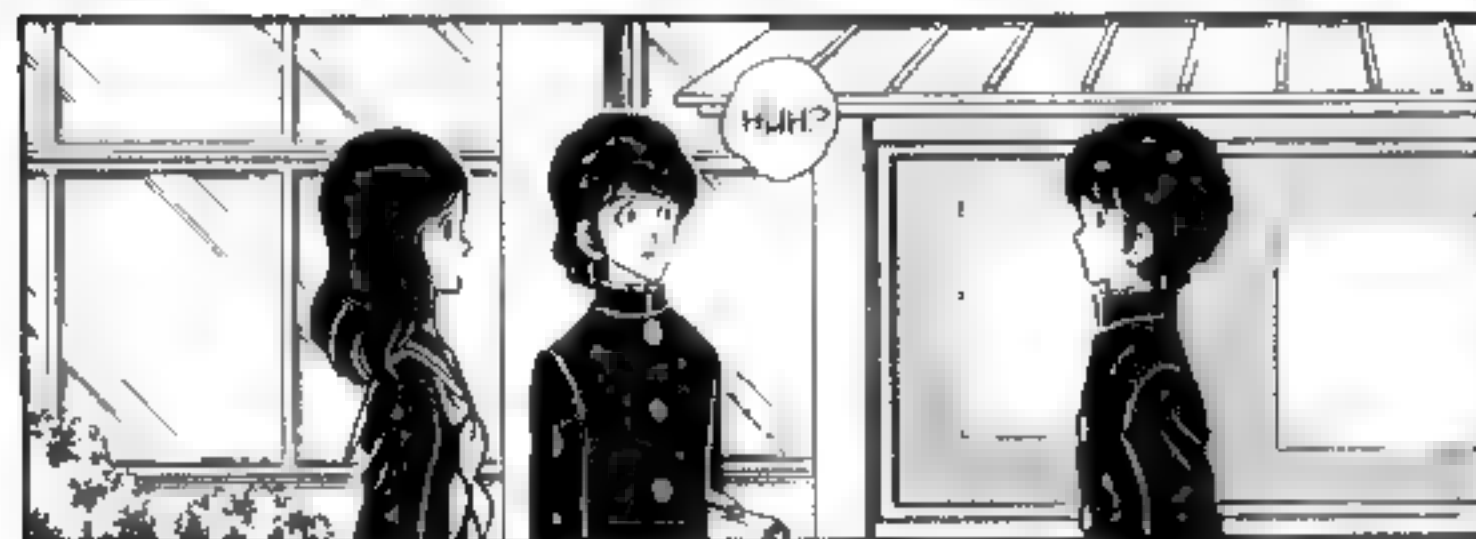

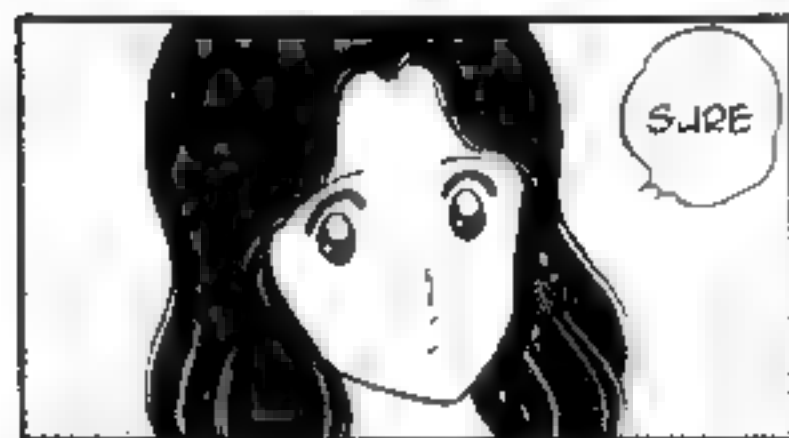

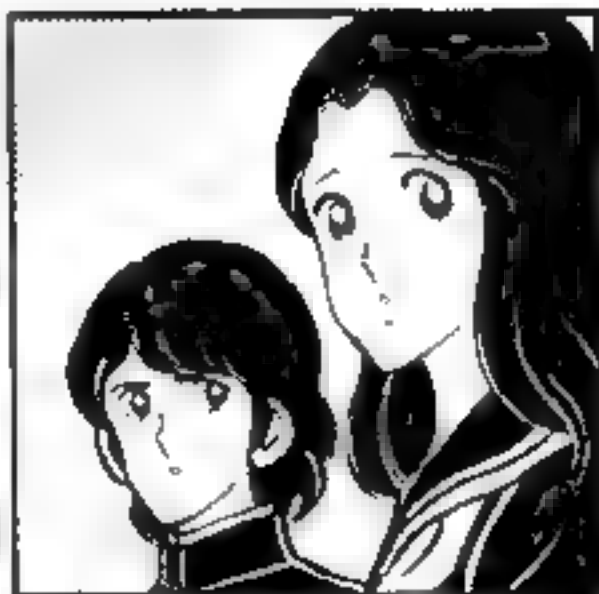

I am not  
the one  
compar-  
ing...

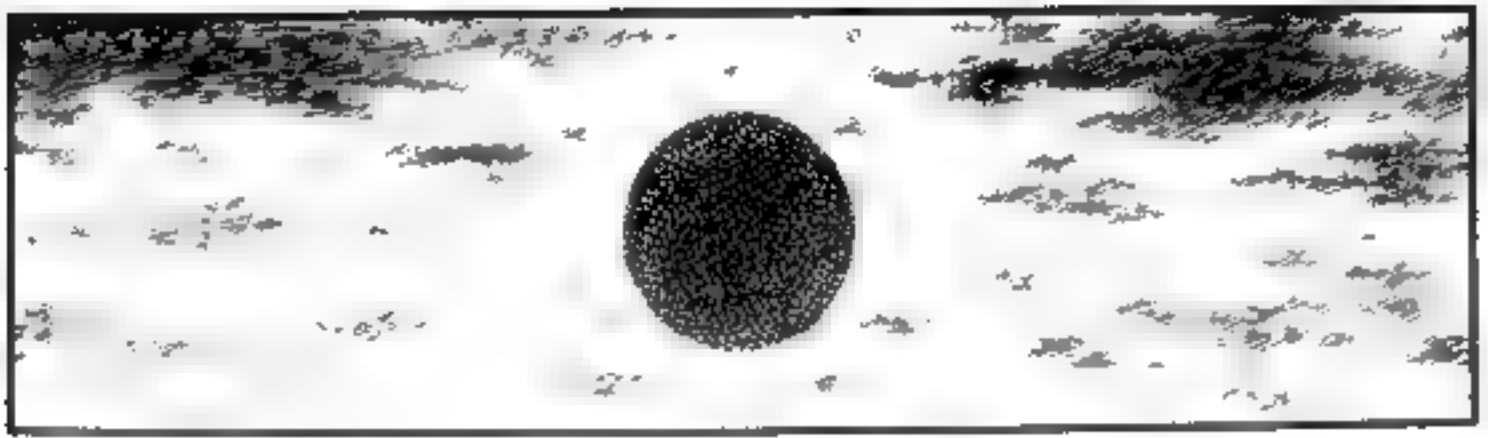

Whoever is  
selected is  
Miyuki-  
chan's  
choice...

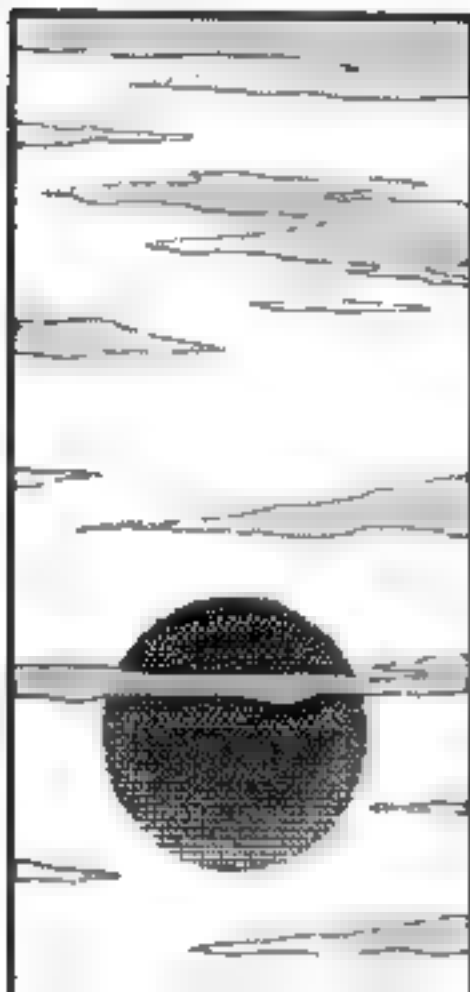

No  
matter  
what  
anyone  
else says.

The  
choice is  
up to  
Miyuki-  
chan  
herself!!

POWER UP AND GET THE BEST OF THE BEST

THE BEST OF THE BEST

100 meters  
in front,  
the  
Waka-  
matsu  
sister...

Under that,  
mother and  
daughter  
Kashima  
walking...

Beauti-  
ful  
May  
weather

With a bundle  
under her arm, it  
seems that she's  
returning from  
the bookstore.

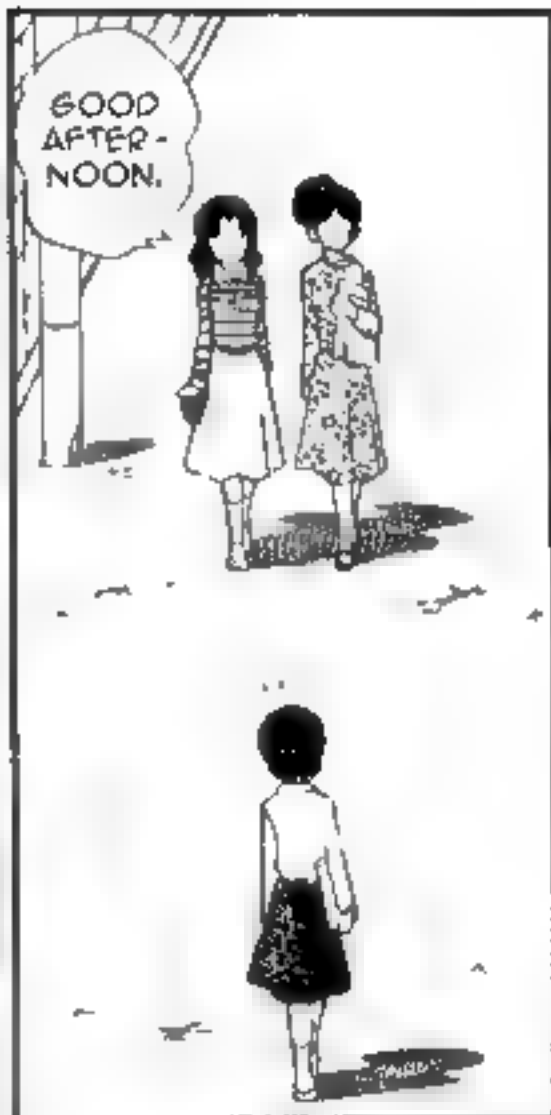

What  
could she  
have  
bought?

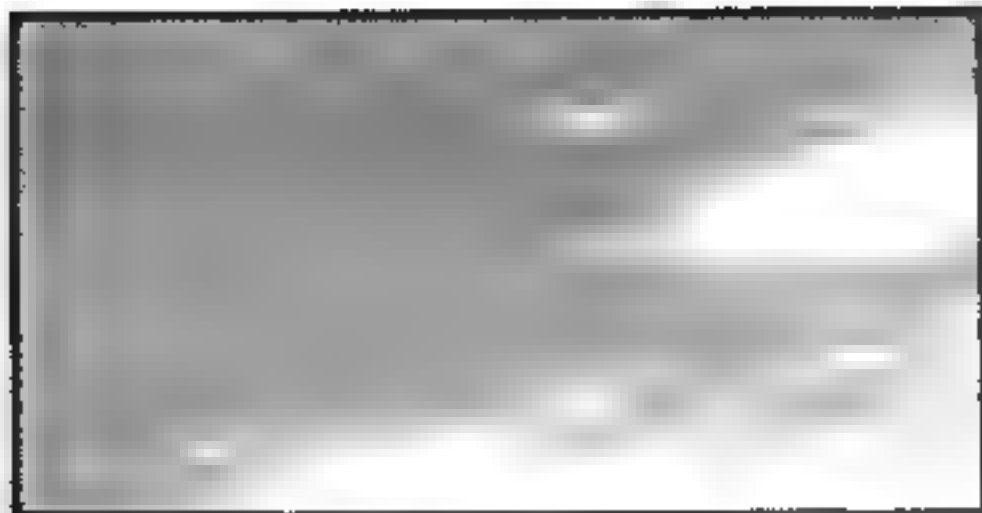

From the  
looks of her  
spirited  
sandals,  
probably a  
neighborhood  
bookstore.

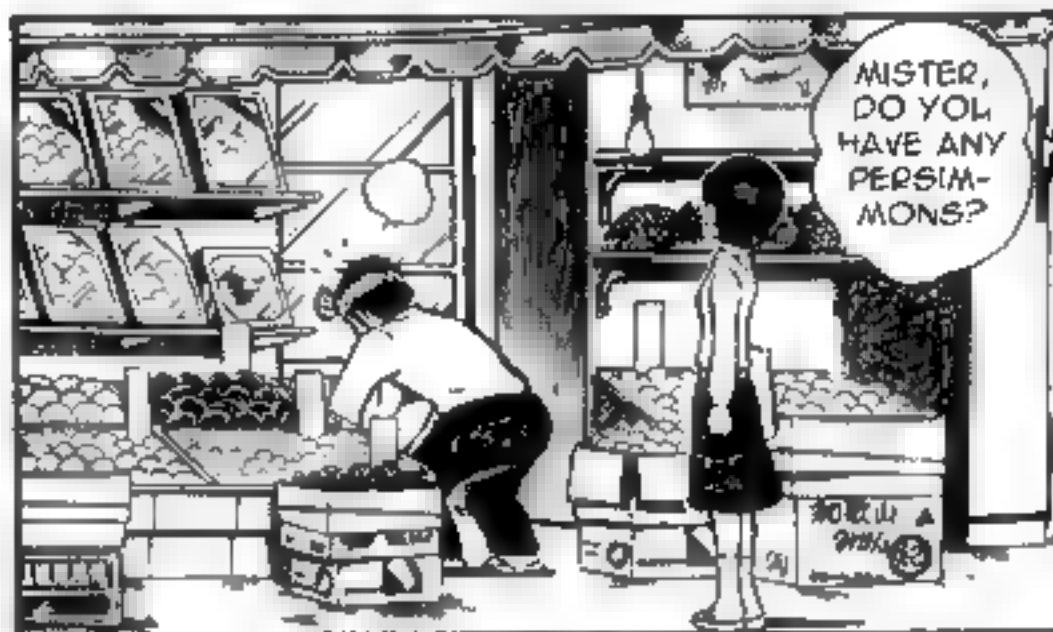

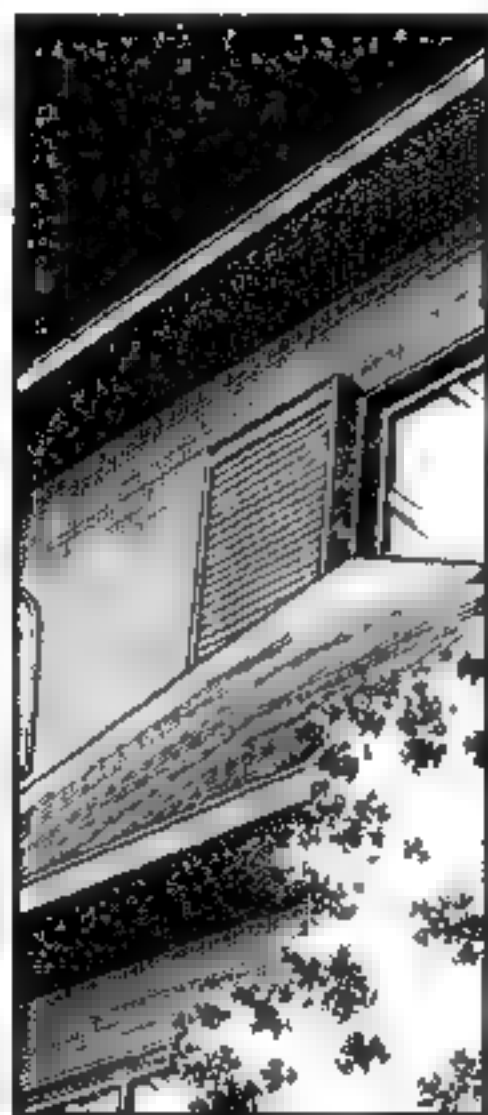

## YAICHI FRUIT STORE

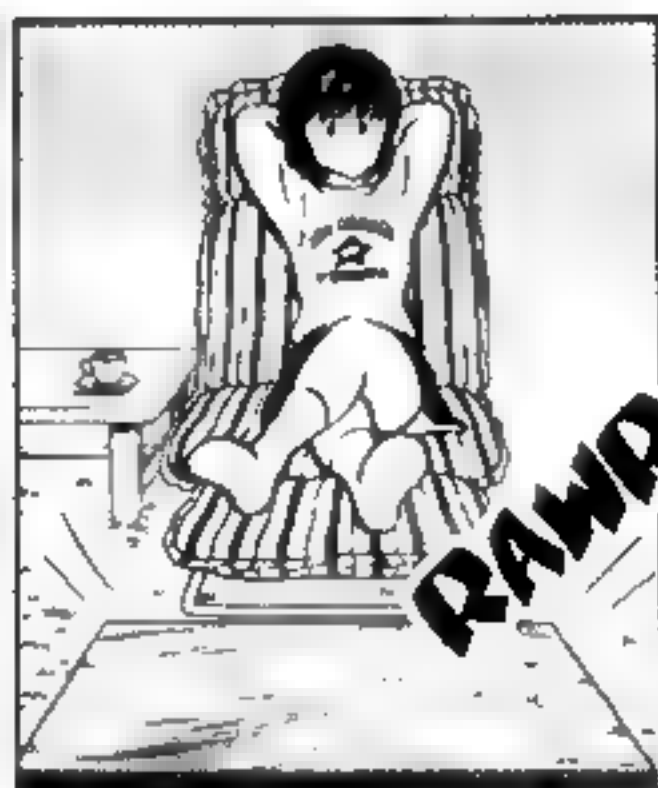

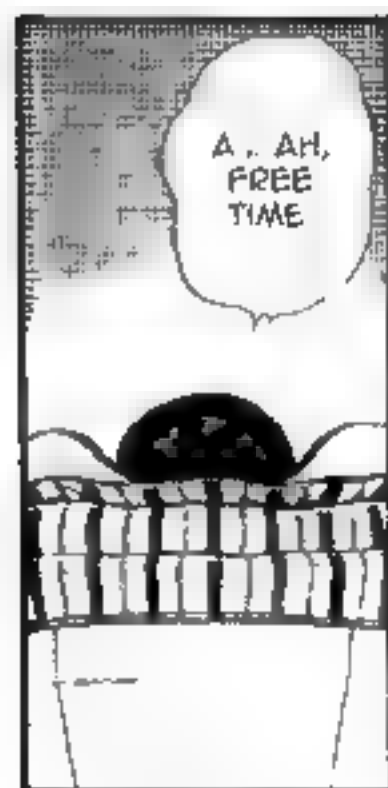

PERSIMMONS ARE AN AUTUMN FRUIT, RIGHT?

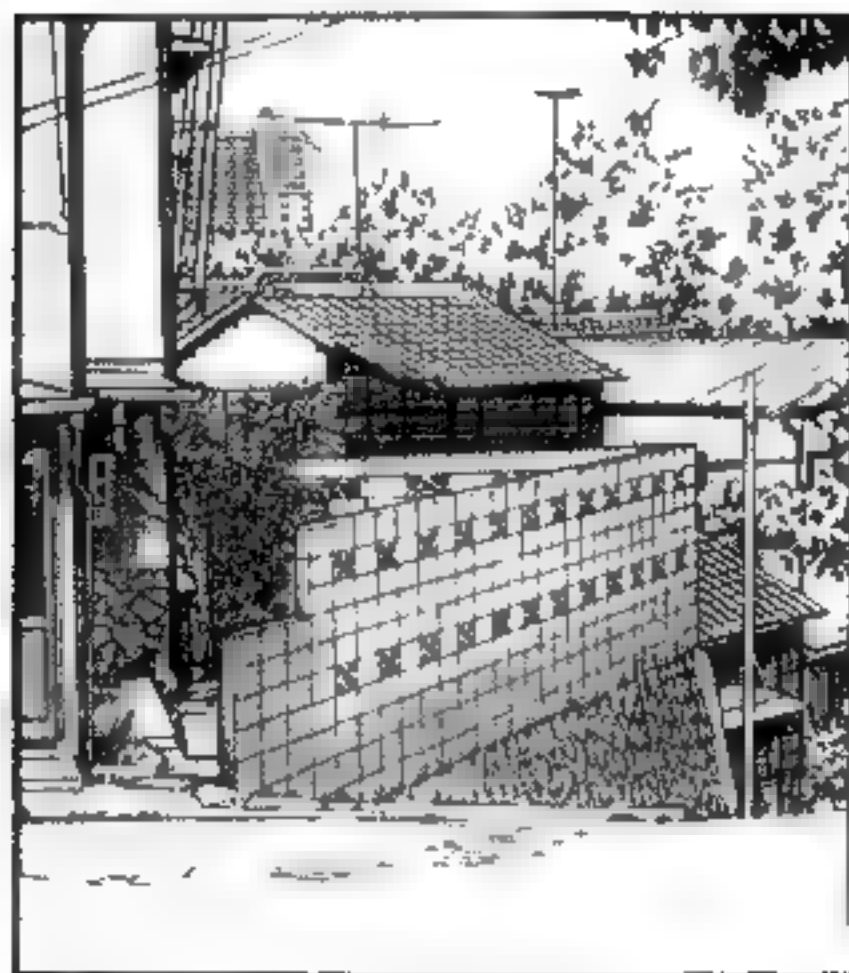

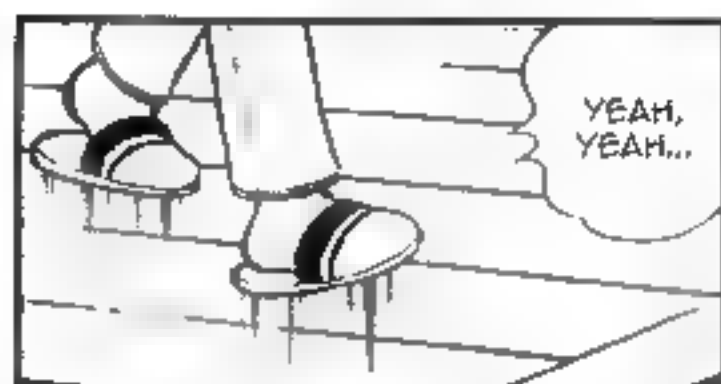

THE CUTLETS ARE SOGGY.

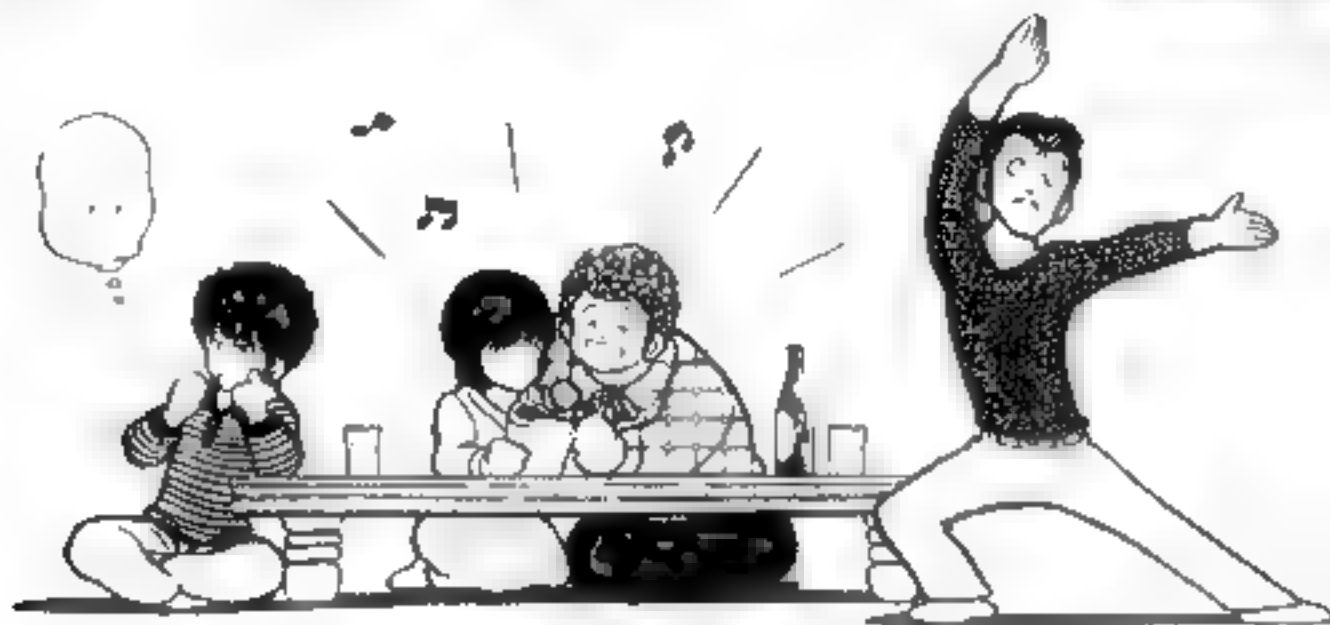

Beautiful  
May  
weather...

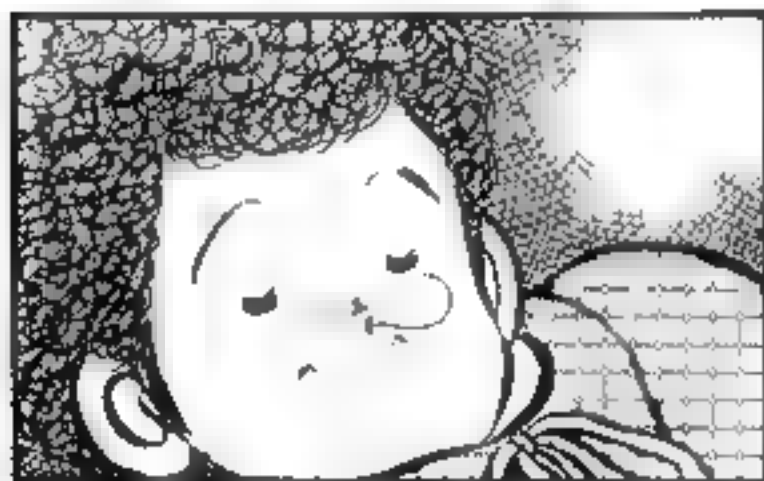

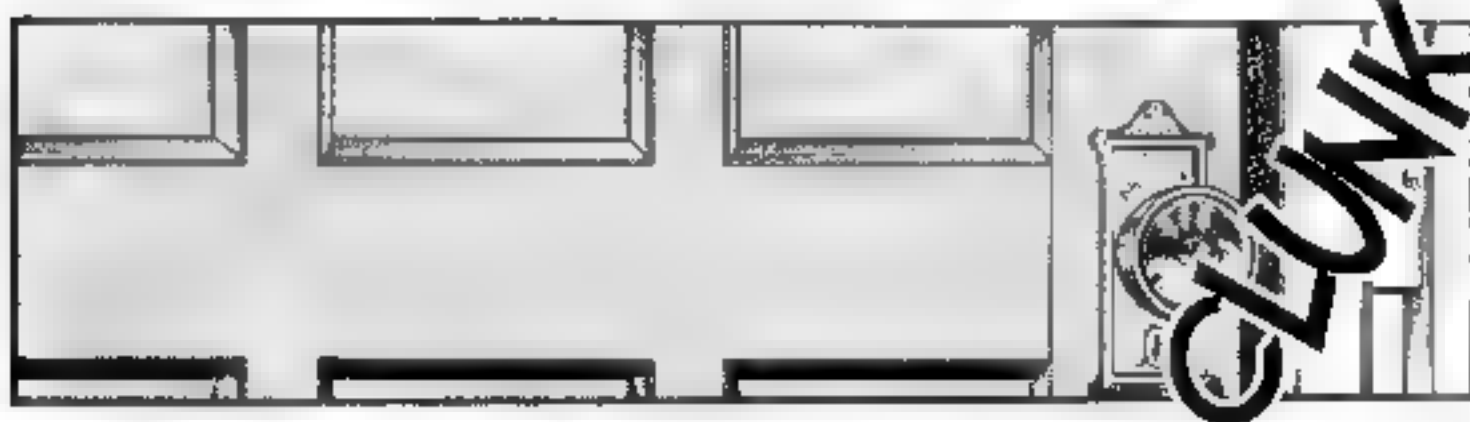

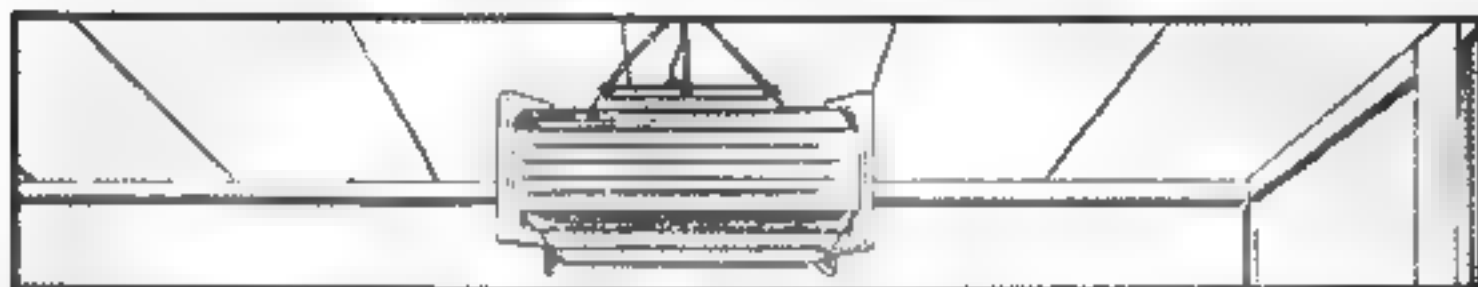

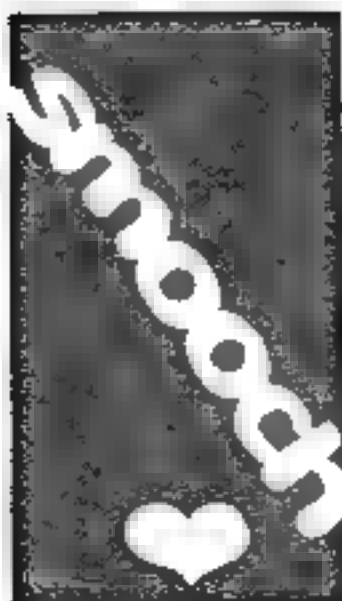

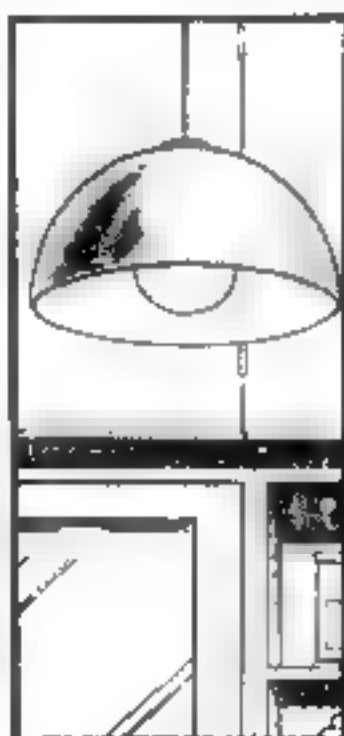

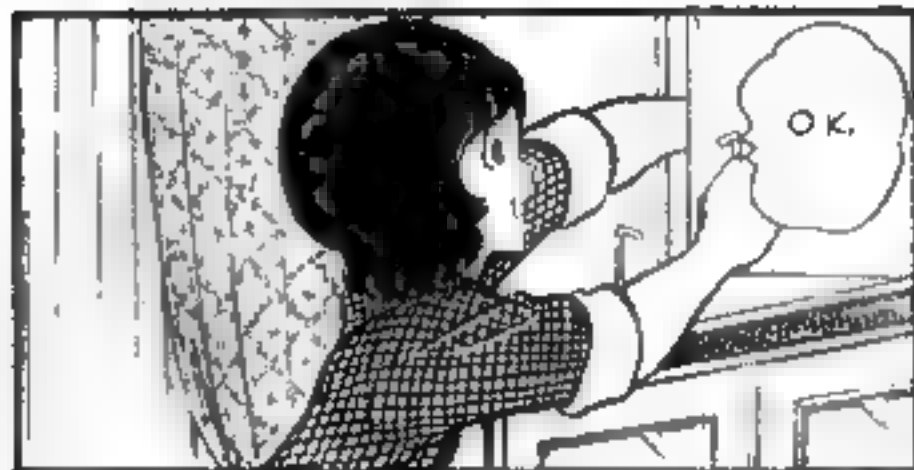

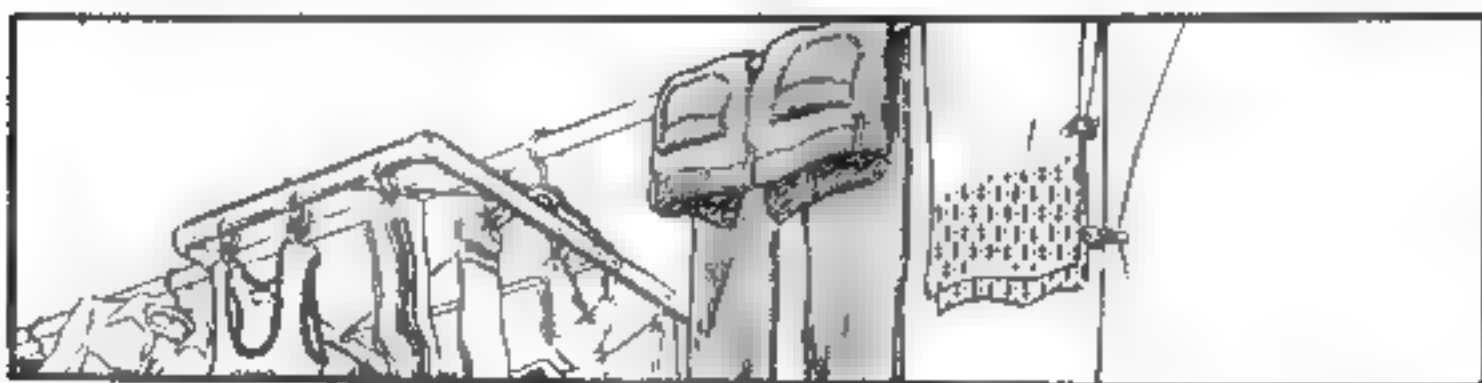

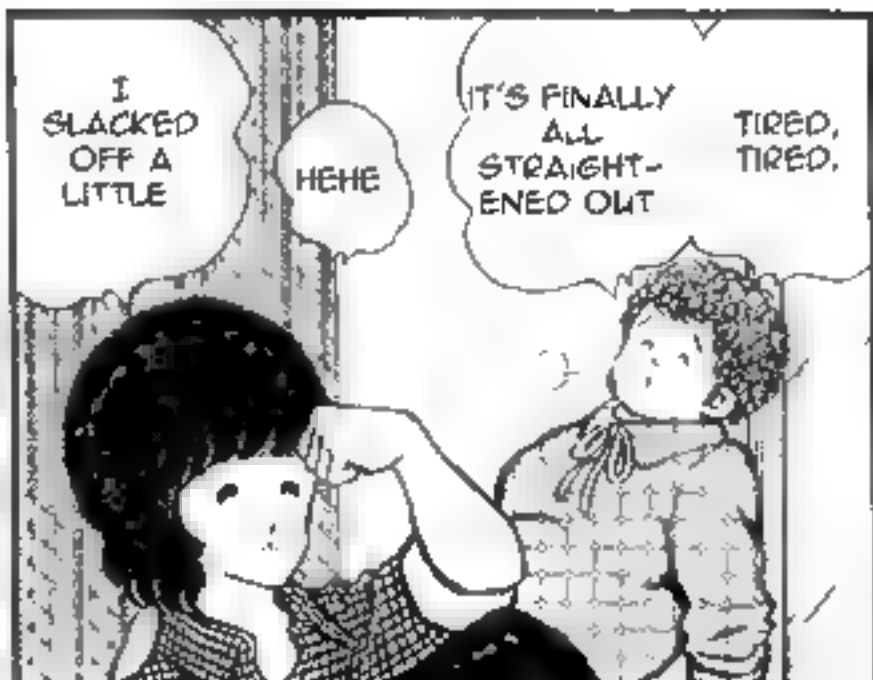

chirp  
chirp

He's late,  
that  
garbage  
collector...

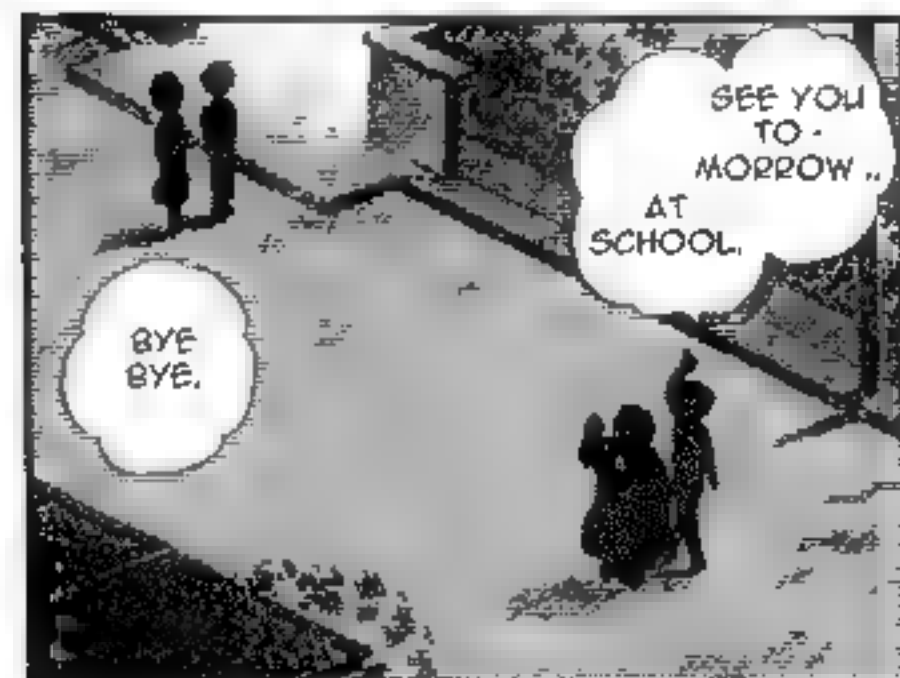

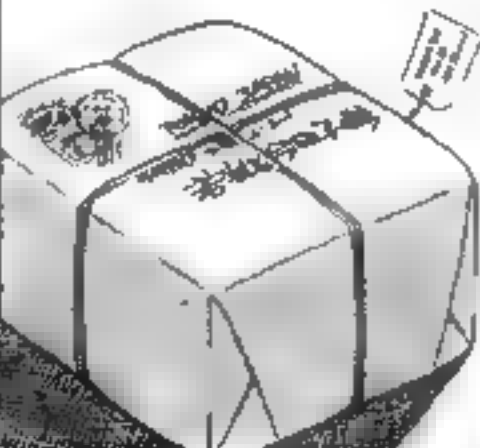

Eventually,  
the trash  
collector  
came in the  
evening...

Deliver to,  
Waka-  
matsu  
Kyouko...

Sender,  
Waka-  
matsu  
Kazuto...

The next  
day, we got  
a small  
package  
from a  
foreign  
country...

From my  
dad to my  
dead  
mother...

and...

Inside,  
persim-  
mons...

...a  
white  
carna-  
tion.

Persimmons  
were my  
mother's  
favorite  
food...

Without  
parents,  
once in a  
while  
wanting to  
be a good  
daughter...

What she  
meant  
when she  
thanked  
Ryuuichi...

The  
reason  
Miyuki  
wanted  
persim-  
mons...

The second  
Sunday  
in  
May...

Yes-  
ter-  
day...

Although I was  
bothered by the  
trash bag, by  
no means did I  
have any bad  
aftertaste...

And,  
when I  
think  
about it  
now...

ALRIGHT.

MYUKI

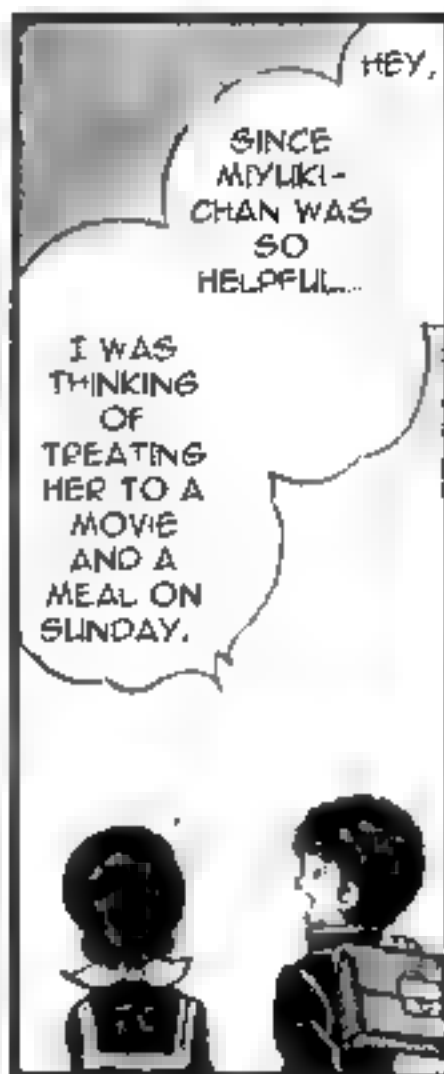

MIYUKI,  
LET'S  
GO.

„ISN'T  
THAT  
NICE...“

YEAH!

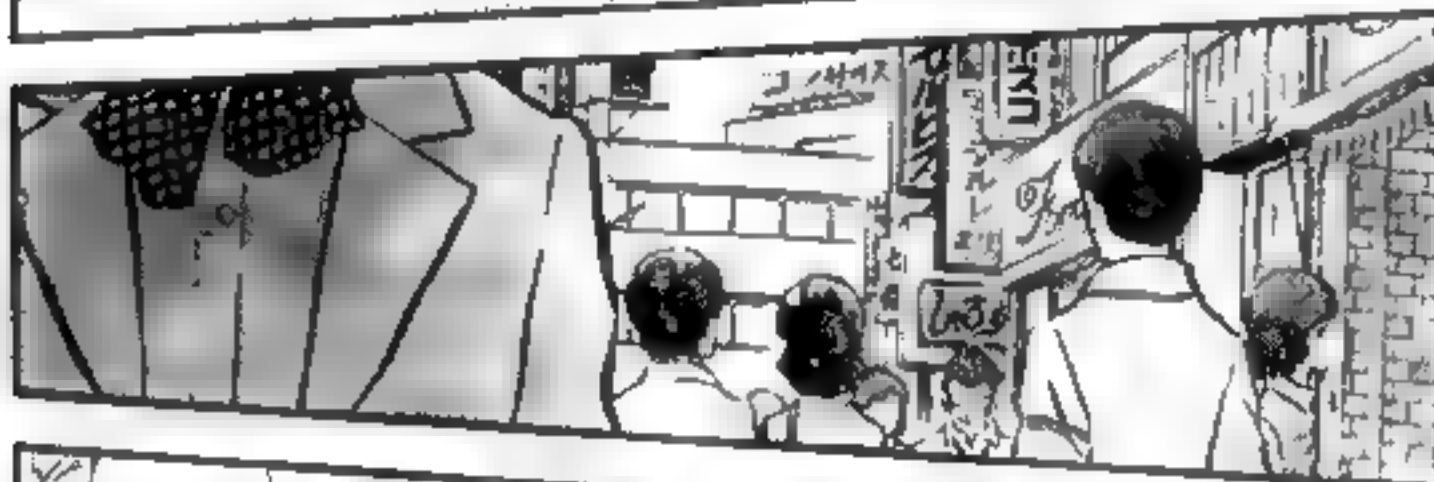

HEY.

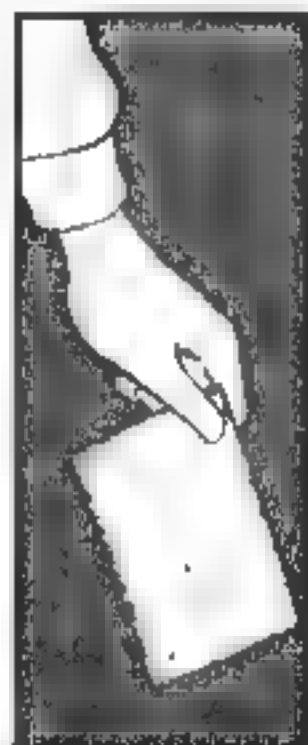

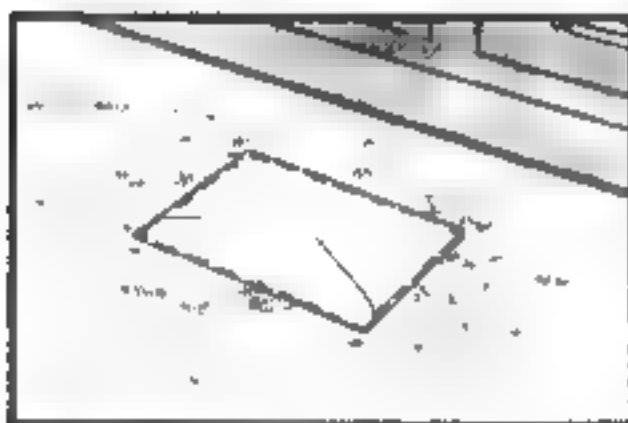

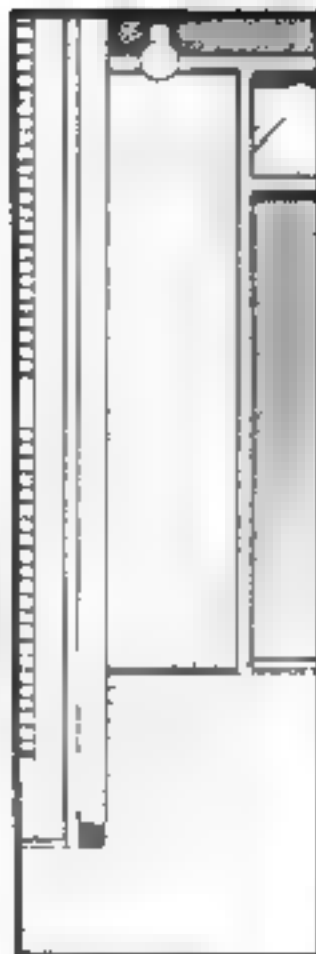

SINCE  
MIYUKI-  
CHAN WAS  
SO  
HELPFUL...

I WAS  
THINKING  
OF  
TREATING  
HER TO A  
MOVIE  
AND A  
MEAL ON  
SUNDAY.

THANKS  
FOR  
WAITING.

...racial  
differences  
are indeed an  
inconvenience  
after all.

I've had  
other people  
helping me,  
but in all  
honesty...

I am  
regretting that  
you left to live  
in Japan.

How about it,  
will you live  
once again with  
your father?

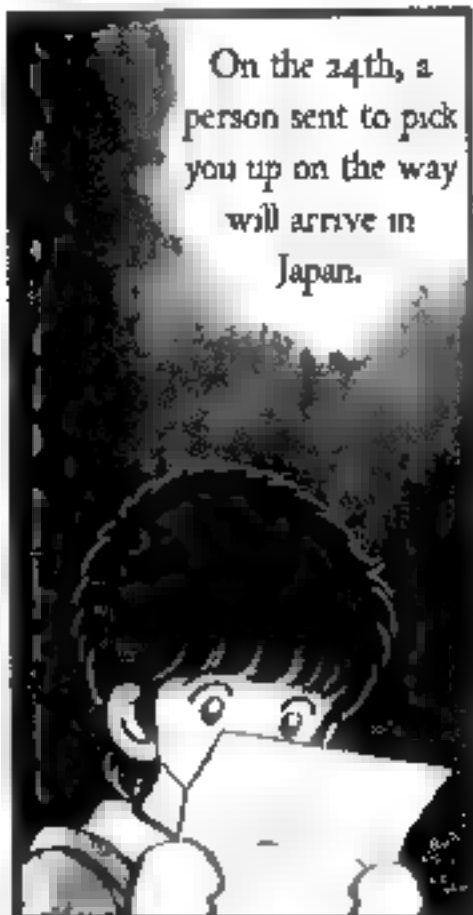

When I think  
about it,  
there's nobody else  
but you that  
understands me.

On the 24th, a  
person sent to pick  
you up on the way  
will arrive in  
Japan.

Even if Masato gets a  
maid... He'll be fine!  
He's been living like  
that for six years.
